Register Miniature Golf Tourney To Start Tonight

QUALIFYING ROUND OVER NINE LINKS

Indications Are That Several Hundred to Compete for \$500 Awards

RULES ARE ADOPTED

New Course at Hewes Park Not Open For Play Until Saturday Evening

PREDICTIONS that several hundred will compete in the Register Miniature Golf championship tournament which opens tonight, were made by the owners and managers of the nine participating courses.

The qualifying round will open on all of the nine layouts tonight and must be completed by midnight of Friday, October 3.

Prizes valued in excess of \$500 have been put up and include Philco Radios, Bulova watches and other awards of a like nature.

The following nine courses have been designated for the tournament play:

- Mission golf course, Third and Bush streets.
- Palm Gardens, South Main and McFadden.
- College Greens, East Fourth street.
- Fourth and Ross Golf course, Orange County Golf course, State Highway, between Santa Ana and Anaheim.
- Ritz Golf course, Fifth and Bush streets.
- Oaks Golf course, Irvine park.
- Hewes Park Course, Hewes Dinkey Links, Orange.

The new course at Hewes park will not be opened for play until tomorrow night but after then will be available for tournament play.

Members of the rules committee met this week and have arranged rules which will govern the meet.

The rules are as follows:

Qualifying Rounds start Friday night, Sept. 19.

SPORTSMANSHIP CUP FOR LIPTON PLANNED

NEW YORK, Sept. 19.—(UP)—Mayor James J. Walker has announced that he favors a plan to present Sir Thomas Lipton with a "Sportsmanship" trophy from the people of the United States.

The suggestion was made to the New York Times by Will Rogers, cowboy philosopher, who envisaged donations of a dollar to a fund for buying Sir Thomas a cup to show how much the American people admired his sportsmanship.

"It's in line with my own sentiments," the mayor said. "I wired Sir Thomas telling him that while there might be some doubt about his ability to win the cup, there was no doubt about his ability to capture our hearts."

Poem On Death For Funeral Of Girl Flier

SAN DIEGO, Sept. 19.—(UP)—"The God that takes one small world from man gives him the skies."

Ruth Alexander left this line, taken from Douglas Malloch's poem, "We Call This Life," as part of the sermon she wished preached at the funeral she planned for herself before flying to her death here yesterday.

"We call this life that is life's preparation, 'We call this life a little time of tears; 'But Thank you, God, for this designed creation, 'A few short years."

AVIATRIX HAD PREMONITION OF HER DEATH

Notebook Left By Ruth Alexander Also Tells of Secret Marriage

SAN DIEGO, Sept. 19.—(UP)—A premonition of the fatal ending to Ruth Alexander's last aerial exploit was revealed today in a notebook left behind by the young San Diego aviatrix when she started on the transcontinental flight attempt that brought her death.

With the notebook was a message making known her secret marriage to Robert Elliott, a young naval aviator once stationed at North Island, across San Diego bay, and now at the Brooklyn navy yard.

"To my husband, Bob," the note read. "If I go before you, do not grieve; be content as I am content. Finish your work and make me proud of you. I'll always love you and wait—and sweetheart, keep my pretty wedding ring always, Ruth."

Beside it were her written instructions for her funeral.

Gives Instructions

"I want to be dressed in comfortable, pretty night clothing. I want to be placed on my side in a comfortable sleeping position—my body will lie there a long time and I want to be comfortable while I am going on. I want to be placed where there are trees and sunshine and grass. I wish no long funeral sermon."

"In my scrapbook there is a poem marked in ink, and if my wish is observed, I will be put away only by my closest friends, a song shall be sung, this poem read and that is all."

The poem was "We Call This Life" by Douglas Malloch.

The notes were found in her hotel room here 12 hours after her tiny monoplane, fighting to rise above a heavy, long hanging fog, crashed into a hillside on Loma portal.

The accident occurred only a few miles from Lindbergh field, from where she started on an intended one stop trip to New York by way of Wichita, Kan. The tragedy resulted from a spin into which the plane fell while climbing for altitude, according to a decision of the San Diego city board of air control.

Plane Overloaded

The midsize ship was heavily overloaded, the board declared. Miss Alexander's weight combined with the 117 gallons of fuel, exceeding the weight of the 750 pound plane. She had planned to stay overnight with her parents, Mr. and Mrs. Blaney and her young brother at Irving, Kan. She left for them this note:

"Please don't wish me back. I've gone to my happier life. I am not unhappy and don't you be—please."

DAM OFFICIAL IN HOSPITAL

LOS ANGELES, Sept. 19.—(UP)—Dr. Elwood Mead, federal reclamation commissioner and in charge of Boulder dam construction, was confined to the Good Samaritan hospital today with a slight kidney ailment.

His physician, Dr. D. L. Gamette, declared Dr. Mead was running a slight temperature but was only "moderately ill."

Dr. Mead attended the ceremony in Las Vegas Wednesday at the start of work on Boulder dam. He was believed to have suffered from the strain of overwork.

DEATH RATE DROPS

SACRAMENTO, Calif., Sept. 19.—(UP)—California's previously announced 1929 death rate of 14.7 per thousand population, a figure based on estimates of the state's population, has been reduced to 11.3, which compares favorably with the death rate of other states of the nation.

This was reported here today by the state department of public health. The new figure comes as a result of the huge population growth of California, revealed by the last census.

FRANCE WILL ENTER PERIOD OF RIGID NATIONAL ECONOMY

AGED PRINCESS IS MARRIED TO YOUNG PRINCE

Bride of 73 Summers and Groom of 41 Secretly Wed In London

LONDON, Sept. 19.—(UP)—The aged Princess Amadee Charlotte Constance De Broglie and Prince Louis Ferdinand D'Orleans-Bourbon, their love triumphing over all obstacles, were married at a London register office today.

A secret ten minute ceremony united the princess and the cousin of the king of Spain, whose efforts to marry on the continent were blocked by relatives.

The princess is 73, wealthy and of one of the oldest families in France. The prince is 41.

Action was started recently in French courts to prevent the marriage on the ground that the princess was incapable of managing her own affairs, and that there was too great disparity between the ages of the couple.

Prince Louis, interviewed by the Evening Standard, said:

"We found we could not be married in Spain, France or Italy, so we came to England. We kept the wedding a secret because we did not want any fuss."

Prince Louis denied charges that he was an "adventurer."

"I have ample fortune of my own," he said.

He said they hoped to leave tonight on a honeymoon in Switzerland, after which they would live at San Remo, Italy.

The "July-November" romance between the two also was described as of long standing by the princess. They have been friends for 18 years, she once declared.

The princess in her younger days was a great beauty and is still handsome. She inherited a large fortune from her father, a French sugar magnate. She married Prince Amadee in 1875. He died in 1917. Their children took the initiative in opposing the love of the princess for Don Louis. They claimed she was eccentric and was dissipating her fortune. She fought the charges vigorously in the French courts.

Calvin Coolidge Says

Urging Support of Wet Candidates Irrespective of Party Lines

WASHINGTON, Sept. 19.—(UP)—The extent to which the sharp knife of prohibition has cut across political lines and buried itself deep in the vitals of both major parties was revealed here today when, with primaries and nominating conventions virtually concluded, leaders estimated that no less than eight senate seats and approximately 50 house seats probably will be decided in November on the basis of the wet-and-dry issue alone.

This is by far the greatest number of clear-cut prohibition fights that any election has witnessed since the adoption of the 18th amendment. It is eloquent testimony, too, to the growing popular concern over prohibition.

With both parties split on the issue, the survey made since the conclusion of the primaries reveals that, generally speaking, it has been the Democrats who have been boldest about grabbing the wet end of the prohibition stick.

This is particularly true of the senatorial contests. Of the eight listed wherein prohibition is accounted the chief or deciding issue, the Democrats are wet in six and dry in two. In Illinois, Pennsylvania, Ohio, Massachusetts, Delaware, and Rhode Island, the Democratic aspirants are opposed to prohibition.

In Montana and Colorado, the Democrats are rated dry, although Walsh in Montana has modified his stand to say he will be guided by the wishes of his constituents.

Only three Republican senatorial candidates are considered openly and avowedly against prohibition.

BELIEVE CREW OF LOST SHIP MADE ESCAPE

Search Being Made Along Oregon Coast For Men of Steam Schooner

MARSHFIELD, Ore., Sept. 19.—(UP)—"The mystery of the Pacific"—the strange disappearance of the steam schooner South Coast from the quiet waters off Cape Blanco, Ore.—remained as much an enigma today as when the vessel was first reported lost Wednesday afternoon.

Rescue crews continued to cruise slowly over the ocean 30 miles south of here in search of some clue of the vessel itself and the 19 men aboard.

Seamen at Pandan advanced the theory that the steamer foundered.

6 Persons Burned When Fire Sweeps Through Building

TOLEDO, O., Sept. 19.—(UP)—Six persons were burned seriously and a dozen others overcome when fire swept through a four-story apartment building here today.

A score of other tenants jumped through windows or were carried down ladders by firemen. Three of the injured were reported in a critical condition.

The fire started from an explosion of a gasoline torch used by workmen in a first floor apartment. The flames spread rapidly and exits to the upper stories were blocked by smoke.

Twenty-five persons trapped on the third and fourth floors fled down the fire escapes while others were overcome and carried to safety by firemen.

Finances Of Country Are Satisfactory

Council of Ministers Approves Budget at Its Annual Meeting

PARIS, Sept. 19.—(UP)—France, most prosperous nation of postwar Europe, will enter a period of national economy, recalling the frugal regime under Raymond Poincare's revalorization scheme, it was indicated in the 1931 budget approved by the council of ministers meeting at Rambouillet.

Figures submitted by minister of the budget Germain Martin revealed a reduction of 235,000,000 francs, the first downward tendency shown by the budget for many years. This is despite an increase of 725,000,000 francs to be sent for national security, until taxes are to be reduced 5,700,000,000.

Premier Andre Tardieu is largely responsible for the increasingly satisfactory condition of the country's finances and it is believed that welding of the economy axe, which Tardieu has insisted upon in all departments of the government, will enable successive budgets to be equally moderate.

Passing of debt payments from the budget to the amortization fund will involve financial sacrifices on the part of the treasury, but is not expected to interfere with big financial operations which in recent years have given France a commanding position in the international money market.

SIX BANK BANDITS ESCAPE IN PLANE

LINCOLN, Neb., Sept. 19.—(UP)—Aviators and groundmen in airports of Nebraska, Kansas, and Oklahoma watched today for a blue OX-5 Travelair plane in which six bandits who robbed the Lincoln National bank of \$109,000 in cash and securities were believed to have escaped.

The plane was stolen from W. D. Mauk, superintendent of the Elk City, Okla., airport. A pencil line tracing a route on a highway map from Lincoln through Kansas and Oklahoma was found in an automobile abandoned by the robbers.

Federal Board Sees Gain In Business

WASHINGTON, Sept. 19.—(UP)—Government financial authorities today expressed the view the business recession has about reached its low level and that no further declines may be expected.

In its monthly report published today, the Federal Reserve board emphasized the continued ease in the money market. It noted a seasonal increase in August of about \$60,000,000 in currency in circulation. Even with this rise, money in circulation was \$300,000,000 under the August average for the past seven years.

EFFORTS TO WRITE WET PLANK LOSE

Gubernatorial Office Seeks Carries Point In Convention 45 to 33

REPEAL PLAN BEATEN

All Candidates for State Offices to Make Honest Effort to Enforce Laws

SACRAMENTO, Sept. 19.—(UP)—The Democratic party stood prepared today to send its candidates for state office into the November election pledged to an "honest effort" to enforce the 18th amendment and "all laws pursuant thereto."

This was the outcome of a fight last night in the Democratic state convention here, culminating in a 45 to 33 defeat of efforts to write a wet plank into the party platform.

A proposal favoring repeal of the 18th amendment and adoption of a substitute amendment to the federal constitution leaving the liquor question strictly in the hands of the several states was thrown before the convention by Justus Wardell of San Francisco, former Democratic candidate for governor.

It was defeated and the law enforcement plank ratified when supporters of the Democratic gubernatorial nominee, Milton K. Young, a dry, urged a convention stand on which they claimed their candidate could honestly carry his campaign to the people.

Wardell's wet plank was strongly supported by James D. Meredith, of Sacramento, who asserted the proposed "law enforcement" plank "savored of seeking votes" and was "wholly unworthy of the Democratic party."

But all the Democratic votes in California could not elect Milton K. Young governor, contended Charles Murphy of Pasadena, without defiling the platform. A new plank, giving Republican prohibition supporters a valid reason to rally to Milton K. Young's candidacy, Murphy said, would enable him to capture an important portion of the Southern California G.O.P. votes which went to Gov. C. C. Young and Burton Fitts in the recent primary.

Justus Wardell charged that the Republican state convention of yesterday was "too cowardly to touch the prohibition proposition," which he contended was a vitally important question with nine-tenths of the voters of the nation.

Otherwise the highlights of the Democratic platform stressed economy in education of state expenses, reapportionment, establishment of an elective state railroad commission, and amendment to the state primary election law.

The Democrats endorsed the \$20,000,000 veterans' welfare bond act and the state employees' retirement salary proposal on the November ballot.

RESPIRATOR SAVES NURSE IN CHICAGO

CHICAGO, Sept. 19.—(UP)—Frances McGann, 25, a student nurse who is suffering from infantile paralysis, has been kept alive at St. Luke's hospital six days and nights by a "Drinker respirator," one of the most recent discoveries of science, it was revealed today.

The "Drinker respirator," only two of which are in use in the west, is the only thing that could have prevented Miss McGann from dying, physicians said.

Miss McGann was placed in the aluminum, glass paneled cabinet when her chest muscles became paralyzed, preventing natural breathing.

McGann's father, a wealthy businessman, had decided to enter the German petroleum industry "on a big scale," he told the United Press today.

Sinclair has spent 10 days investigating the Hanover oil district. He indicated that Germany's oil possibilities are much greater than is generally realized. His ultimate aim is to establish an oil trust in Germany, including producing, refining and distributing units.

"I expect to enter the Hanover-Oldenburg oil district soon, prepared to undertake production on a big scale," Sinclair said.

ACTOR, WIFE MUST APPEAR IN COURT

LOS ANGELES, Sept. 19.—(UP)—Ben Lyon, screen leading man, and Bebe Daniels, his bride of a few months, were under subpoena today to appear as witnesses against Richard McEnaney, New York youth charged with threatening the actor's life so he would attract attention and possibly get into the movies himself.

McEnaney was arraigned last night on a charge of carrying concealed weapons, the complaint having been reduced from a serious felony count at Lyon's request.

Lyon, however, failed to appear, and with his wife was ordered to do so tonight. Court officials did not explain why Miss Daniels was included in the bench warrant.

dered on the reefs near the mouth of the Rogue river when it lost its bearings in a heavy fog.

Reports along the coast from Cape Sebastian, south of Gold Beach to Crescent City, Calif., said that wreckage of the South Coast was being washed ashore.

One lone hope remained to grieving friends and relatives of those aboard—two of the life boats had not yet been located and either one would be large enough to accommodate the entire crew. It was thought possible that the crew might have escaped and landed at some isolated section along the coast.

Among the rescue crews searching the area were Captain Holst and a crew of four men from the Coos Bay coast guard station and Captain Joseph L. Nutter and seven men from the Coquille river station at Bandon.

Captain Nutter reported that his boat had been traveling through an area covered with wreckage and logs but that no survivors or floating bodies had been encountered.

The ships have no means of communication except by wig was to passing vessels and were not expected to return to their station before Saturday.

Reports that the hull of the steamer had been located south of Cape Blanco were discredited here.

Over 400 Present At Raitt's Dairy For Picnic Dinner

A crowd of 400 persons participated in the annual picnic of Raitt's Sanitary dairy, which was held last evening at the new Raitt dairy plant on West Seventeenth street.

Employees, stockholders and producers and their families gathered in the fine new dairy building for the barbecue dinner which was served. The event was held in the dairy barn immediately after the cows had been milked and proved the claims of sanitation and cleanliness made by the dairy.

AVIATRIX HAD PREMONITION OF HER DEATH

(Continued from Page 1)

The disclosure of her secret marriage to Elliott in Yuma, Ariz., on June 21, was a surprise to her closest friends. Previously she had been married to a Kansas youth named Alexander, but they parted.

She came to San Diego and became interested in airplanes, resolved to become a flier, and worked long hours as a manicurist to pay for her tuition. She became a licensed pilot and won fame by making a record altitude flight. She was unconscious from lack of air when the plane climbed to 26,600 feet and set a new mark for women in light planes, but the rush of cold air on the steep descent revived her.

tion—Morrow in New Jersey, Shaw in Colorado, and Galen in Montana. There are some others, however, like Davies in Pennsylvania, and Couzens in Michigan, who might be considered on the border line. Neither has taken a very positive stand on the issue.

The association against the prohibition amendment, organized and financed on a permanent basis after the 1928 election, "points with pride to the fomenting of so many clear-cut contests in the forthcoming election."

The association, non-political or rather bi-partisan, has modeled its efforts somewhat after those of its dry rival, the Anti-Saloon league, by going out into congressional districts and state contests and encouraging wet candidates to oppose dries.

It has been the league's boast for years that it made it "politically unsafe to be wet." The association, proceeding on the same line, is endeavoring to make it equally as politically unsafe to be dry.

In the primary campaigns just ended it has without exception supported the wet candidates irrespective of party. It will do so in the approaching election in November. Where both candidates are wet, as in the New Jersey senate contest, and in many congressional districts in the east, the association keeps hands off, as has been the policy of the league where both candidates have been dry.

Leaders in the association confidently predict a gain of 35 to 40 seats for the wets in the house. Republican and Democratic leaders are privately inclined to view this as a fair estimate. Some think it will be larger.

In the present congress, the wets claimed to have a bloc of nearly 100 votes which they could muster on a given show-down. Because of the conditions arising out of the 1928 election, and the immense Republican majority, this wet strength was considered abnormal. With the off-year swing toward normalcy, if the wets can make good their prediction of picking up some 35 to 40 seats, there appears to be a strong prospect of the 72nd congress containing a formidable and probably an exceedingly militant wet bloc—by no means approaching a majority, but still strong enough to make things interesting for the dry majority.

PLEADS GUILTY TO BURGLARY CHARGE

R. W. McCammon, who was captured in the Dana Point home of A. H. Neale, of Pasadena, on September 8, was arraigned before Judge G. K. Scovel in superior court today on a charge of burglary contained in an information filed by the office of District Attorney Z. B. West.

He entered a plea of guilty to the charge and asked for probation. The probation hearing was set for October 3. He was continued at liberty on his own recognizance on an order of the court.

Jose Acosta, arraigned before Judge Scovel today on an information charging operation of a car while intoxicated, entered a plea of not guilty and is to be tried on October 13. He was arrested August 9, on the Garden Grove road.

SCHOOL ATTENDANCE INCREASE REPORTED

Six of the 14 elementary schools which had reported total enrollment figures to the office of City Superintendent J. A. Cranston at noon today showed an increase in attendance of 84 as compared to the opening attendance on last Monday.

The figures available at noon were as follows: Junior college, 547; high school, 1009; Frances Willard Junior high school, 583; Julia Lathrop Junior high school, 675; Delhi, 270; Franklin, 271; Hoover, 111; Lincoln, 265; McKinley, 352; and Roosevelt, 296. The six elementary schools reporting had a total attendance of 1505. The total for the secondary schools was 2814.

SCHOOLS AT BEACH CITY WILL CLOSE

Schools of Laguna Beach will be closed until next Thursday as a result of action taken by the trustees today following the death of Ellnor Watkins, who passed away this morning a victim of infantile paralysis. The 8-year-old girl was a fourth grade pupil and the county health department closed that room today. The school trustees' action followed.

The girl at first was thought to have been suffering with poliomyelitis but the disease was diagnosed as paralysis today. Pupils with whom she associated will be isolated but not quarantined. Her first symptoms appeared on September 10, when she was bothered with eye trouble, which it is said was incurable. Her funeral will be next Monday and her parents, now under quarantine, will attend with an escort from the health department.

GUESTS ATTEND K. C. COUNCIL MEETING HERE

There were 118 out of town guests present at the meeting of the Santa Ana Knights of Columbus in the hall of the order at Fourth and French streets last night. Towns sending delegations, in addition to the outlying Los Angeles district, included Anaheim, Manchester Heights, Hollywood, Long Beach and Whittier.

The program included a talk by State Advocate Ed Purpose, of Los Angeles, who made a very impressive address on "Americanism." He spoke of the development of Bolshevism in China and urged that all men unite in support of the flag, forgetting creeds or racial differences. Other speakers included George Ravenkamp, of Santa Ana, who discussed the matter of exemption of non-profit hospitals; Guy O. Brunet, of Anaheim, district deputy of the order; Dr. V. A. Rosister, of Santa Ana, and Tom Feeley, an executive of a motion picture company of Los Angeles.

Following the session of the order there was an entertainment which included three rounds of boxing, a wrestling match between Jack and Jim Fitzpatrick and two songs and a tap dance number by the Johnson sisters. Ernest K. Vosskuhl was chairman of the entertainment committee in charge of the refreshments at the affair last night. George F. Nash is head of the Santa Ana council of the order.

BABY CONFERENCE DATES ANNOUNCED

Baby conference centers in Santa Ana are to re-open on September 24. It was announced today from the office of Orange County Health Officer Dr. K. H. Sutherland, by Miss Idabel Dugan, acting superintendent of public health nurses.

The first conference is to be held at Spurgeon school, commencing at 2 p. m., next Wednesday. The second one will be held in the flood control building, 818 North Sycamore street, at 2 p. m., Thursday, September 25. Dr. Edward L. Russell, new deputy health officer, is to be in charge of the conferences, with Miss Clarissa Rees as nurse. P. T. A. members will assist as volunteer workers.

The conferences are for the purpose of physical examinations of pre-school children up to five years of age and to give health information and advice to mothers. Only well babies are permitted at the conferences, as the sessions are in no sense clinics and are for the purpose of prevention of disease and promotion of education only. Mothers with well children are invited to the conferences.

FREEDOM SECURED BY CHARITY STORY

A kind heart and good deeds today won Tom Scanlon, 49, migratory worker, his freedom when arraigned before City Judge John F. Talbott on a drunk charge. In

the course of explaining his financial difficulties and lack of residence status, Scanlon told the court that while some of his earnings had been spent on drinks, part of the same had gone to wards helping out other men in distress.

He went further and told Judge Talbott that he believed in the golden rule and shared his meager earnings with other hungry and homeless men, as he himself had frequently been forced to ask other people for the price of a meal. Judge Talbott became interested

in the man's recital of his experiences, and after satisfying himself that Scanlon really had parted with some of his money for charity, ordered his release on a suspended sentence. He was advised, however, to leave the city within an hour.

DEATHS

A WORD OF COMFORT
It is important that you should make your own decision as to how you shall manifest your loyalty to your loved one and your allegiance unto God, even though you are hindered. Your love and your religion are such intimate possessions that they are bruised if separated. You do not mechanically, just to be like somebody else. Clarify your motives of any tendency to "make believe" or "courageously" true to your sincere convictions. And God will bring you home to the joy and blessedness you crave.

DAVIS—Mrs. Carrie M. Davis, on September 17, 1930, at Alhambra. She is survived by her husband, Wade A. Davis; her mother, Mrs. Ann Swartz, of Tustin, and two brothers, Harvey W. Swartz and Charley W. Swartz, of El Toro.

BISANT—At Balboa, Sept. 18th, 1930. Wm. M. Bisant, aged 88 years. Notice of funeral will be given later by Smith & Tuthill.

AKERS—In Santa Ana, Sept. 18, 1930. Mrs. Elizabeth Akers, aged 84 years, mother of Max V. Akers. Funeral services will be held Monday at 10 a. m., from Smith and Tuthill's chapel.

WATKINS—Eleanor Watkins, 8, of Laguna Beach, daughter of Mr. and Mrs. Glenn Watkins, at Mason hospital, September 19, 1930. Funeral arrangements have not been completed.

UNCLAIMED LETTERS
Letters for the following parties remain unclaimed for in the Post Office at Santa Ana, Calif., for the week ending Sept. 20, 1930.

Foreign—
Senor Juan Camargo, Sr. Agustín Ortiz.
If not called for in 2 weeks they will be sent to the Post Office. When calling for the above please say advertised and give date.

DR. ROWLAND IS NAMED BY STATE CHIEF

Dr. E. H. Rowland of Santa Ana, today was serving as deputy district governor for Lions International in Southern California. Announcement of his appointment was made yesterday at St. Ann's inn by Earl Babcock of Sacramento, district governor, who was the principal speaker at the Santa Ana Lions club meeting.

Dr. Rowland, who has been an active member of the club in this city for some time, is now secretary of the county council of Lions clubs. He is a past president of the local organization.

Babcock was introduced to the group by Dr. Rowland and gave an inspirational talk on what he hopes will be accomplished by Lions clubs in California during his term of office. His presence at yesterday's session was in the nature of an official visit.

Maurice Phillips, well known Santa Ana baritone, sang several much appreciated numbers, accompanied by Miss Allie Lair.

FILE SOCIAL WELFARE BODY REPORT TODAY

The report of the Walter S. Gregg, director of the social welfare department of the county, which was filed today with the office of County Clerk J. M. Backs, shows that during July and August the department expended \$17,913.68 in its work of relief and welfare. During the period 702 cases were handled as compared with 974 cases for the previous period.

As segregated by months, less was expended during August than July. The respective totals were \$8227.29 and \$9638.33. There were more requests for work during July and August also. These figures show that during July there were 210 persons asking for work, of whom 83 were persons appearing before the department for the first time, and 155 during August, with 49 first timers.

Causes for aid requests during the two month period were numerous, with the following leading in numbers: Accident, 15; county jail, 6; sickness, 5; unemployment, 14; non-support, 5; and non-resident, 6.

The report shows that there are now 80 persons in the county receiving state aid for the needy aged.

Collision Injures Two Early Today

Jim Decker, 20, of 1136 South Garney, and Owen White, 20, of 300 North Olive street, Anaheim, sustained cuts and bruises this morning in a traffic accident which occurred in West Orange. They were taken to the Orange County hospital for treatment. Decker's automobile collided with a milk truck driven by White. In addition to cuts and bruises, White suffered injuries to his back.

Mrs. Elizabeth Akers Is Called

Mrs. Elizabeth Akers, 84, who had lived in Santa Ana for the past seven years, passed away today. She was the mother of Max V. Akers.

Funeral services will be held Monday at 10 a. m., from the Smith and Tuthill Funeral chapel.

Court Notes

Simon S. Pearce, his wife, Bessie H. Pearce, and their daughter, Betty, are joint plaintiffs in a damage suit against Faye Bushard, et al., that was filed yesterday in superior court. Damages totaling \$16,020 are asked by the trio for injuries alleged to have been sustained in an accident at Huntington Beach on August 19, which they allege was the fault of the defendants.

Inventories and appraisements of three estates were filed with the office of County Clerk J. M. Backs today and one yesterday afternoon. Values set by the appraisers were as follows: James L. Curtis estate, \$2781.17; Dr. Rollin T. Burr estate, \$3765; John J. Finnegan estate, \$9583.67.

SHIRT BURGLAR TO SHOW BIBLE OPERATING IN CHART AT FOUR ORANGE HOMES SQUARE CHURCH

Two homes in Orange were burglarized yesterday and last night. In one house men's shirts were taken and in the other \$13 in cash.

The burglar who entered the home of C. J. Hessel at 173 South Batavia street some time yesterday ignored everything but shirts and to show that he was shirt minded, left one of his own, a distinctive green affair that was somewhat the worse for wear. Officers A. W. Wunderlich and Joe Johnson, who investigated, discovered a tiny photo of a girl in the pocket. Entrance was gained after a screen had been removed from a kitchen window.

In robbing the Earl Phillips' home at 524 Moreland street, the intruder took a savings bank containing \$18 in small coins and two \$2.50 gold coins. Entrance was gained through a rear screen door. Officer Homer Davis investigated.

Local Briefs

Revival services will be started tonight in a tent at 710 East Fourth street, by Jacob J. Shalata, Jewish Christian evangelist and will last over a period of four or five weeks. After the revival, the tent will be replaced by a rescue mission which will be in charge of Mr. Shalata.

Former residents of Hastings, Neb., living in this vicinity, were saddened on learning of the death of J. N. Clarke, prominent Hastings resident. News of the death, which occurred this morning, was received by wire by P. McIntosh, 1516 North Ross street.

Robert A. Haven of the Haven Seed company, left yesterday for Sacramento, where his assistance was requested by the state college of agriculture in classifying and describing tomato varieties, of which trials are being made for the United States department of agriculture. Haven also will visit San Francisco on business for his firm.

Dr. and Mrs. H. McVicker Smith will leave here late today for San Francisco, aboard the S. S. Ruth Alexander, from Wilmington for San Francisco. They will be gone several days and expect to visit their daughter at Berkeley, who is attending California university and also to meet old friends at the Presidio, who are stationed there in the army.

TO TALK HERE

The Rev. D. F. Meyers, below, will come here from San Diego to be in charge of a series of Four Square Gospel church conferences.

The Rev. D. F. Meyers, of San Diego, will be in charge and will bring a series of messages from his chart, called "The Bible at a Glance." This chart is seven feet by 12 feet and has been described by preachers and evangelists as the most beautiful and complete they ever have seen.

Subjects to be treated by the Rev. Mr. Meyers are "Rain in the Rainy Season," "Another Chance," "The Council of the Godhead," "The Reason for Creation," "Preparation for Man," "The Altars of the Ages," "The Present Age, or The Church Roundup," "The Brand of Hell," "The Dead Egyptians Upon the Seashore" and "The Race for Life." The meetings will be open to the public. The churches which will co-operate in the conference are the Four Square Gospel churches at Fullerton, Garden Grove, Anaheim, Huntington Beach, Long Beach, Costa Mesa and Belvedere Gardens.

LEASING OF RANCH DENIED BY OWNERS

Reports that they have leased all or part of the Hualde ranch southwest of La Habra for oil drilling purposes were denied today by Dr. J. L. Beebe, of Anaheim, who with C. J. Wilson, of Orange, owns the property. Representatives of the syndicate which is endeavoring to sign up a large acreage in the district have interviewed the owners but they have not come to terms, it was declared.

A community lease involving lots in the Home Acres tract is being sought by the syndicate. The city council has indicated that there will be no objection to oil drilling inside the city limits.

Shriners Gather For Picnic Today

Members of the Orange County Shrine club and their families will picnic at Irvine park today. An old-fashioned basket picnic is planned. A program of sports for the children and older persons will open at 3:30 p. m. Dinner will be from 5:30 to 8 p. m., with ice cream, coffee, sugar and music provided. Dancing in the pavilion will follow the dinner. Prizes for winners in various contests are to be given.

REVEAL PLANS FOR ANAPAUMA LINKS OPENING

Carrying out the Oriental motif at the new miniature golf course at Hewes park, a Chinese band from Los Angeles will play tomorrow afternoon and night while golfers from the Southland initiate the unique links.

At 2:30 p. m. tomorrow Willard Smith, chairman of the board of supervisors, and Mrs. Tony Rego, formerly Iris Johnston, will tee off for the first round played on the Anapauma course.

The man and woman making the lowest scores will be awarded prizes tomorrow as a feature of the opening of the 18 hole course, managed by Tony Rego.

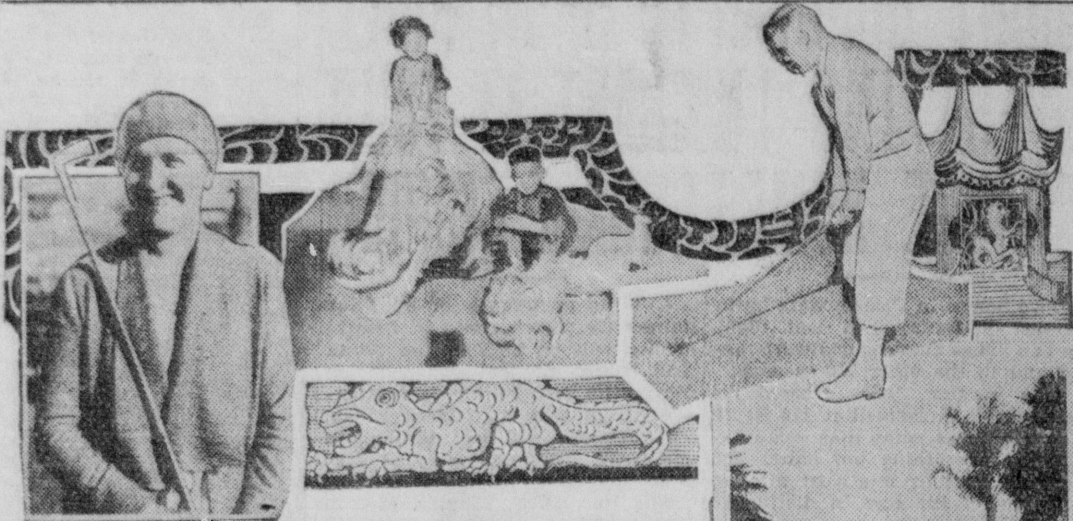

One of the most striking features of the new layout is the Junio Chinese pool table, said to be the second in California. The table is sunk flush with the ground and is 11 by 21 feet in size. Balls about the size of a croquet ball are used and the cues are smaller shaped. There are 26 pockets on the table.

The entire project, including the land and equipment, represents about \$175,000 in value. The course covers three acres and is located just north of the area where D. Eymann Huff's steak bakes have made themselves famous.

The Chinese motif is carried out throughout the course and a Chinese tea house is being completed. A miniature waterfall adds to the attractiveness of the course set among the trees.

READY FOR GOLFERS AT HEWES PARK

Tony Rego, shown below at the left, will manage the new golf course with the Chinese atmosphere at Anapauma ranch, Hewes park. Tong and Lee, Chinese tots in the center, find just the proper surroundings at the new links. Mrs. Rego (formerly Iris Johnston), at the right, will be instructor for women. Tony will act as instructor for men. The formal opening is set for 2:30 p. m. tomorrow.

ANOTHER CHANCE TO LEARN ART APPRECIATION

"To live in the temper and spirit of a learner, open-minded, unwarped in judgment, free as far as light permits from delusions, eager to explore and inquire, quick to give up, a confused idea and so gain a higher outlook, striving steadily to improve and to grow—these are the watchwords of adult education," so reads the greetings from the University of California extension division. This is the opportunity offered by the adult education department of the Santa Ana school system.

The art appreciation class will meet October 2 with Miss Hazel Nell Bemus and the plan is to give the type work requested by the last term class. Block printing will occupy the first few lessons. It is planned to make some blocks suitable for fabric decoration and all-over paper patterns. Then

students will make their own Christmas cards and book-plates. Christmas problems will occupy the remainder of the course which closes December 4.

Continued work in clay modeling will be given for those desiring it as the two courses may run simultaneously. The following books in the Santa Ana public library will be of great value: "Essentials of Linoleum Block Printing," Polk, 655; P758; "Handicrafts in the Home," Priestman, 745; P93; "Art for Amateur and Student," Cox, 704; O83; Chinese Schattenschneide, Melchers, 741; M48. The following magazines have articles dealing with block prints: Industrial Education, May '24, July '23, Dec. '24, Dec. '29; Mentor, Jan. '28.

TEN DOLLAR CHECK CAUSE OF ARREST

George Armitage, 45, dapper laundry service man, residing at California hotel was arraigned this morning in the court of Justice Kenneth Morrison on a check charge. Being a felony, the preliminary hearing was set for September 24, and bail was fixed at \$1000.

Amos N. Cox, manager of Finley hotel, Santa Ana, filed the complaint that led to the laundryman's arrest. Armitage is charged with having given Cox a check for \$10, drawn on the First National bank of Santa Ana, not having sufficient funds in the bank at the time to cover the check. Efforts on the part of the defendant to have the charge dismissed this morning were of no avail. The prosecution was represented by Deputy District Attorney Preston A. Turner. The accused was not represented by counsel.

WASHINGTON, D. C.—The famous "Caterpillar Club," an organization of aviators who have saved their lives by making parachute jumps from planes, is steadily growing. The roster now includes nearly 260 members. There are two women in the organization.

WOMAN DEFENDANT FAINTS IN COURT

Apparently breaking down under the humiliation of being brought into court on a criminal complaint, Mrs. Vesta Sackman, elderly wife of Frank Sackman, blacksmith, 1136 West Eighth street, this morning fainted while being arraigned on a check charge in the court of Justice Kenneth E. Morrison. Miss Isabelle Durgan, head nurse of the Orange county health department, administered emergency treatment to the defendant, and upon recommendation of the health nurse, the arraignment was continued to a further date pending an examination by a physician. Justice Morrison set the new arraignment for September 24.

Young To Speak Here Wednesday

Milton K. Young, Democratic nominee for governor, will speak at Birch park, at 3:30 p. m. and at 7:30 p. m. on September 24. Arrangements are also under way to have Mr. Young deliver an address in Garden Grove, the exact date to be announced later.

NEW OFFICERS INSTALLED BY ORANGE LEGION

ORANGE, Sept. 19.—Officers were installed with impressive ceremonies last night at the American Legion clubhouse. Officers are: Commander, Harvey Riggle; first vice commander, Herbert Locke; second vice commander, David Clough; sergeant-at-arms, Earl Hobbs; adjutant, Verne Shippey; chaplain, the Rev. W. M. Tipple; Logan Jackson and W. O. Hart

were re-elected to succeed themselves as members of the building committee and other members of the committee are James Ragan, Claude Potter, H. O. Wallace and Clyde Slater. Harvey Riggle, commander, is the chairman of the committee.

Sam Collins, commander of the Fullerton post, was the installing officer and other visitors present included Franklin West, commander of the Santa Ana post; Otto Jacobs, past commander of the Santa Ana post, and Spencer Collins, of Santa Ana.

Before the installation members of the post listened-in on the installation ceremonies of national officers at Boston, Mass., the program being broadcast over the National Broadcasting system and a radio was installed in the Legion hall by the courtesy of the Coastair Radio company of this city. Edward Wegner, blind veteran of the post, urged members to support

the veterans' farm bill at the coming election.

As the occasion marked the birthday of the retiring commander, George Franzden, he was presented with a number of "goofy" presents.

A decision was made to order a number of the national posters to be used in a membership drive which is to be staged soon.

PLANES IN BUILDING

NEW YORK, Sept. 19.—H. R. Steeper, well known New York architect, foresees the time when airplanes will be used in skyscraper construction. He predicts that these ships will haul whole sections of floors and walls from assembly plants to the foundation. Here they will moor on huge masts and lower the sections into place for workmen to set.

COVERING FOR FLOORS TOPIC OF PAMPHLET

In selecting floor coverings for either living room or dining room, the entire room scheme should be established at the time, Helen Townsend Barton, national home decorative authority, explains in her new booklet "When Good Furnishings Get Together," copies of which have just been received by some of the local furniture dealers.

The booklets will be available to visitors at the stores of those dealers during the Home Furnishings Style show to be held September 26 to October 4. The show is to be a unit of the national exposition to be held in cities throughout the country on the same dates.

"A large, figured rug, in which the colors blend rather than contrast, as a rule serves best to balance the massive living room furniture," Miss Barton's article on floor covering sets forth. "Keeping in mind the room's exposure, select a rug the colors of

which will be carried through in the draperies, furniture and upholstery, walls, lamps, pictures and ornaments."

In choosing colors in connection with room exposures she suggests cooler tones, such as soft green, dark blue or ralsin, for floor coverings in rooms facing south or west. For northern exposure, rose taupe, rust, soft brown and warm tan are preferable.

"Orientals and the increasingly popular American sheen-type rugs in Oriental designs have always a main color which should form the basis of the color scheme, with minor colors to be introduced here and there," her articles continue. "With solid color rug or all-over carpeting the same color harmony must prevail."

"The dining room is usually visible from the living room, so the floor coverings of each should bear a definite relationship as to color. Where a mahogany or walnut dining suite is used, the Oriental or sheen-type American rug reflects the same characteristics as the highly polished furniture."

UNUSUAL CEREMONY

ST. LOUIS, Mo., (UP)—Dr. Harris Gregg, Presbyterian church pastor of New York, preached his wife's funeral sermon here recently. Instead of offering an eulogy, he read four religious poems written by Mrs. Gregg, interspersing them with scriptural passages.

CHILDREN TO GET FAIR ADMISSION

Determined that every child may have opportunity to see the Orange county fair, the directors of the institution have decided to admit all children under 12, free for the first three afternoons and nights of the fair, when accompanied by adults.

In addition, while children will have to pay in the covered portion of the grand stand, they may go into the bleacher seats free.

This year's fair will carry much of interest to the youngsters, principally, of course, by reason of the greatly increased amount of entertainment offered. Not only will this entertainment be in the arena, but within one of the tents, regular programs will be carried on where no charge to anyone will be made.

GIFT OF SILVER GIVEN LA HABRA

LA HABRA, Sept. 18.—As a farewell gift of appreciation to William Abrams for his benevolent work in La Habra and throughout the county, members of the Kiwanis club presented him with a bag of silver at their meeting yesterday with which to buy a suitable gift. The presentation was made by Judge F. D. Halm, who said "Bill" had given unselfishly of his time for the civic betterment of La Habra.

In response Abrams stated that he thought no better gift could be purchased than to turn the money over to the Orange county health camp. He then turned the money over to H. A. Randall, chairman of benevolence, for deliverance to the health camp.

Abrams and his family are moving to Los Angeles this week to make their home.

N. T. Edwards, Whittier orchardist was the speaker of the day and he gave an impressive talk on the Constitution.

O. K. Club to Meet Wednesday Night

Next Wednesday evening is the time set for the first meeting of the O. K. club of Santa Ana Junior college. This club, formed in 1928 primarily for social reasons, is composed of junior college students who are living away from home. The incoming class seems to have a number of people in it who are eligible to this club and it is expected that the first meeting will bring out many new members.

Big Swordfish Is Landed By H. B. Man

HUNTINGTON BEACH, Sept. 18.—W. P. (Bill) Henry hooked and landed a 191-pound swordfish while trolling off a fishing boat out from Newport this week. The sea monster gave Henry a terrific battle before it was finally landed.

PARALLEL PARKING FOR SPADRA SEEN

FULLERTON, Sept. 18.—Possibility that parallel parking may be required by the state on Spadra road in the business district of Fullerton following the widening of the Spadra north of Chapman avenue as a further aid to relieve traffic problems in the city, was expressed by Harry M. May, secretary of the Fullerton Chamber of Commerce, at the noon meeting of the chamber directors in McFarland's cafe. May opened the question to discussion and recommendation by the directors.

The parallel parking would help to eliminate many of the minor accidents now occurring in the business district was expressed by the chamber directors, although regard to the matter was no definite recommendation in regard to the matter was made.

That most of the houses in the city are now rented was pointed out by various directors in commenting on the fact that many new residents are moving into the city.

Auxiliary Plans Benefit Show In Spanish Village

SAN CLEMENTE, Sept. 18.—"The Womanless Wedding" will be staged at the San Clemente school auditorium September 30 and October 1 as a benefit, according to plans of the American Legion auxiliary. The auxiliary will seek help from the Men's club in staging the show. Miss Winifred Jay, Santa Ana, will have charge of directing the show.

Officers of the auxiliary for the coming year are, Mrs. Lester Abell, re-elected president; Mrs. James Bennett, first vice president; Mrs. C. W. Wells, second vice president; Mrs. J. B. Hopkins, secretary and treasurer; Mrs. Pete Stavron, chaplain; Mrs. George Alden, flag bearer; Mrs. Mary Gleason, historian.

Check Arist Is Sought By Police

Santa Ana police today were looking for a slick check artist who yesterday afternoon attempted to pass a worthless check on Brooks Clothing company, 120 East Fourth street. The paper hanger gave his name as J. B. Wilson, and the check, made out in the amount of \$25, was drawn on the Bank of San Pedro. The check was turned over to Chief of Detectives Sid Smithwick, of the local police department, who is investigating.

EL MODENA

Elmer Koenig, Joseph Bricke, EL MODENA, Sept. 18.—Elmer Koenig, Joseph Bricke, Jack Van Beek and John Vernon attended the Los Angeles County fair at Pomona Monday evening.

Mr. and Mrs. A. O. Hodson were Pomona visitors Saturday.

Tony Arevalo and daughter, Mrs. Curtina Bustillas, have returned from El Paso, Texas. The former's daughter, Mrs. Viola Marino, and her husband returned home with them on their way home they went over a 10-foot embankment. Besides a few cuts and bruises the occupants were unhurt. The car was slightly damaged.

Mrs. Henrietta Reep, who has been spending the summer months with relatives in the northern part of the state, has returned to the home of her daughter, Mrs. W. A. Settle, of East Walnut street, where she will remain for the winter.

WILL INTRODUCE HEALTH SERVICE

Plans for inauguration of a protective health service here were revealed today by H. E. Ostrander, Orange county manager of the Protective Health Service institution. The Santa Ana clinic, on Stewart drive, will be medical headquarters for the service, where those participating will be treated. According to Ostrander the complete medical service is being used by 5000 persons in Long Beach and also by many Southern California business institutions, for their employees.

The service will start at the Santa Ana clinic on October 1, according to Ostrander, whose business headquarters are in the Moore building.

Arrange Funeral Of Mrs. Stankey

ANAHEIM, Sept. 18.—Funeral services will be held Friday afternoon for Mrs. Justine Stankey, 85, one of Anaheim's pioneer residents, who died Tuesday night at the family home on Lincoln boulevard, where she had made her home ever since coming to America. Funeral services will be conducted at the Backs, Terry and Campbell funeral chapel, with the Rev. O. R. Schroeder, pastor of the Bethel Baptist church, of which she was a member, officiating. Interment will be made in the family plot at the Anaheim cemetery.

Surviving Mrs. Stankey is her husband, Frederick Stankey; three daughters, five sons, 30 grandchildren and 31 great grandchildren. The daughters are: Mrs. George Lena, Anaheim; Mrs. Jurgen Siems, Buena Park; Mrs. Edward Sterling, Pasadena, and the sons are Adolph, Robert and John Stankey, all of Anaheim; Fred, of Los Angeles, and Julius, of Fullerton.

ANAHEIM

ANAHEIM, Sept. 18.—Recent out of town visitors in Anaheim are Ruth Hayes and Sylvan Herman, of Lynwood, L. Wilson, of Glendale, Josephine Guth, of Walnut Park; Ray Wilson, of Huntington Park; Mrs. A. R. Poulson, Ethel Cass, F. R. Vaughan, of Long Beach, and Mrs. J. P. Story, of Fort Worth, Texas.

A few close friends of Mr. and Mrs. Wayne Mabry surprised them this week at their home at the Olive apartments. The occasion was the birthday anniversary of the host and also of one of the guests, Mrs. J. J. Carter, of Yorba Linda. Invited to spend the evening with Mr. and Mrs. Mabry were Mr. and Mrs. J. J. Carter, Mr. and Mrs. Gaylord Page, of Yorba Linda, and Mrs. J. E. Rymer and Miss Ruth Rymer. After games refreshments were served by Mrs. Mabry.

The faculty members of the Anaheim union high school held their annual get-acquainted gathering at Irvine park Thursday evening. They assembled for a 6 o'clock picnic supper and later enjoyed several games of miniature golf on the park course.

The north east section of the Ladies' Aid society of the Methodist Episcopal church held its first meeting Thursday afternoon at the home of Mrs. J. K. Langdon on East Adele street. A temporary set of officers appointed to start the work off included Mrs. Langdon, chairman; Mrs. Gilby Cheatum, vice chairman; and Mrs. Wayne Mabry, secretary-treasurer. Tentative plans were made for a supper to be given in October, the date to be announced later.

TROJAN WEAVE

by KUPPENHEIMER

But you do care whether she likes it

The man who asserts the loudest that he doesn't dress to please women is usually just as eager as the next fellow to win feminine approval. He is the man who will select a quality suit because women are critical about designing and fit. He chooses a Trojan Weave — not altogether for its perfection of styling, but the extra weight worsteds give long wear. Which are reasons why you should wear a Trojan Weave this season.

LAGUNA VOTES ON FIRE HALL NEXT TUESDAY

LAGUNA BEACH, Sept. 19.—Voters will go to the polls Tuesday to decide whether or not the city of Laguna Beach is to have a fire station of its own, with perhaps some needed equipment.

The fire department asks that \$20,000 be voted for this purpose. It points to the fact that the present building is not owned by the

city and is not on city property. It was built with donated funds and donated labor on property of the Laguna Beach County Water district. Many arguments are urged why the city should have a new building, one of its own.

The members of the department, all volunteers, none of them in the pay of the city as firemen, ask that better facilities be provided by the city to which they donate much of their labor and a great deal of time.

The project was turned down by the voters when offered at the city election, but the margin was a narrow one and it is hoped by the fire fighters that the citizens will grant their request next Tuesday.

All of the firemen will take voters to the polls, being reached through the fire department or by phone to their homes or places of business.

BREA CHAMBER HEARS TALK BY THEATER HEAD

BREA, Sept. 19.—"Business is to the world as a gear to a piece of machinery," said Norman Sprowl, of Santa Ana, manager of the Fox-West Coast theaters, speaking before the Brea Chamber of Commerce yesterday.

The meeting was held at the American Legion hall, with members of the auxiliary serving the luncheon, and heads of the various industries and oil companies were guests for the occasion. There were 70 members and guests in attendance.

President L. A. Hogue opened the meeting and after the reading of the minutes, turned it over to Walker Davis, chairman of the committee in charge of the luncheon.

Davis introduced "Noodles" Fagan, vaudeville actor, who kept the audience in an hilarious condition for some time.

Sprowl followed with a talk on "Why Is Business?" "To develop the younger generation, we must teach them to put their souls into their work," he said. There are four cornerstones to success: justice, particularly to ourselves, by developing our God-given talents; co-operation, which is a necessity in every walk of life; energy, which must come from within the man, and economy, not so much the actual saving, but the habit of economy, which one must have to reach the highest development. "Business is that of progress; it is not for the purpose of making money, but for the developing of the greatest thing God put on earth, men and women and the worth of men and women depends on the service they render to others."

AIR ATTACHES

PARIS—France plans to send six air attaches to Washington, London, Rome, Madrid, Lisbon and Peiping to combine diplomacy and business in the development of aeronautics in this country. A recent levy of \$46,000 a year was made by the French Air Ministry for this purpose. It is expected that the industry will benefit greatly by aeronautical ideas picked up by these representatives in other countries.

BEAN WAREHOUSE AT SMELTZER OPEN

SMELTZER, Sept. 19.—The Smeltzer Lima Bean Growers' association warehouse has opened the cleaning season, the first of the threshed beans having been brought into the warehouse the first of the week. Sixteen women are being employed for the opening days until it is determined how good the beans are this season and how much cleaning they will require.

Two threshers are in the fields, those of Vernon Heil and Quackacker, but so far only small patches of fields have been threshed as the fogs have kept the beans in the heavier soil damp and unfit for threshing. It is too early in the season to determine what the average output per acre will be.

FREE PARKING LOTS PLANNED FOR ANAHEIM

ANAHEIM, Sept. 19.—At the regular monthly meeting of the board of directors of the Anaheim Chamber of Commerce at the Elks clubhouse yesterday noon, presided over by Vice Chairman C. Pearson, Ernest Ganahl, chairman of the committee to investigate the matter of establishing free parking lots about the city, gave a report, with the result that he was ordered to proceed with the work of getting ready for using four of the number of lots considered. Ganahl reported having taken the matter of financing the project up with Mayor L. E. Miller. While the chamber must bear the expense of putting the lots in readiness the city, it was reported, will provide a system of lighting.

The committee is urging the merchants and employees to make use of the parking lots, thereby leaving ample room for shoppers.

The question of moving the Mexican colony to another section of the city was discussed, no action was taken on the question, however, as it is a matter to be decided by the Industrial Land company and the city council.

Dave Morris heads a committee to formulate plans for the annual meeting of the chamber which, it is expected, will be held about the middle of October, when it is anticipated a large number of new members will be formally received into the group, according to the report of the membership chairman, E. C. Kendrick.

OFFICERS ELECTED BY PLACENTIA POST

PLACENTIA, Sept. 19.—Frank Anderson was elected commander of the American Legion post of Placentia at the regular meeting, Tuesday evening.

Other officers elected were, F. C. Bayne, first vice commander; Dick White, second vice commander; Virgil C. Stocking, finance officer; Dr. Guy L. Kay, chaplain, and E. M. Everett, historian. Delegates to the county council probably will be elected at the next meeting, and the adjutant will be appointed.

The paint job which was donated the post by Cramer and Mills of Anaheim, was purchased by Mrs. Raymond Dutton, and the proceeds will go toward the building fund. It is expected that the building committee, of which L. T. Aldredge is chairman, will have some definite report to make at the next meeting.

Commander Anderson is a native of this district and went to war from here. He was a member of the Anaheim post until the Placentia post was organized. He is a son of Teague Anderson, who donated the lot on Chapman avenue where the Legion hall is to be built.

OVER INDULGENCE

The present mode of fast living, fast eating, and "bad drinking" is partially responsible for the alarming prevalence of stomach trouble. Something you eat today may not agree with you—something you drink tonight may upset your stomach badly and cause you to wake up in the morning feeling way below par. Be fair to your stomach. For all such indiscretions, habitual or occasional, as well as for relief of gastric hyperacidity, sour stomach, gas disturbances, bloating, belching, heartburn, bad breath (halitosis), loss of appetite—take Pfunder's Tablets—for sale by McCoy's Drug Stores. Exclusive agent in Santa Ana.

DON'T ENDURE TORTURING PILES USE RESINOL

If only a few of those who have used Resinol Ointment could tell you of the immediate relief it gives from itching, bleeding, painful piles, you would be convinced how unnecessary it is for you to suffer. So gentle and healing, it can be used safely on the most inflamed parts. Many women find Resinol invaluable for relief of local itching caused by acid or irritating secretions.

THE WEEKLY PANTRY SHELF

MODERN KITCHEN WILL DEVELOP PARFAY RECIPES

Many stars, and other celebrities in the public eye are known to receive fan mail—letters from their admirers—but it is seldom that a food product is accorded this honor.

A few days ago Parfay, a 100 per cent California product, described as "a blended shortening," was introduced to the housewives of the Golden State. Since the new product first went into distribution, Swift and Company, manufacturers of Parfay, have received hundreds of letters from housewives throughout the state telling of their experiences in using the new product and singing its praises.

Many of the letters have requested recipes and as a result of these requests, officials of Swift & Company have announced the opening of a model kitchen in the 2000 window Parfay plant in Los Angeles where the California product is produced.

Home economists throughout the state are using Parfay. Among them is Marion Rogers Spencer of Hollywood who has used Parfay successfully in the following recipes:

PINEAPPLE COFFEE CAKE

2 cups flour
4 teaspoons baking powder
1/2 teaspoon salt
1/2 cup sugar
1/2 cup Parfay
1 egg
2/3 cup milk
2 tablespoons honey
2 tablespoons butter
1/2 cup crushed pineapple
Method: Sift flour, salt, sugar and baking powder together. Cut in Parfay with pastry blender. Beat egg and milk together and add to dry ingredients. Spread dough in shallow, greased pan. Soften butter, add honey and well drained pineapple and mix well. Spread over dough and bake for 30 minutes at 400 degrees.

CHERRY TARTS

2 cups flour
2/3 cup Parfay
1/4 cup ice water
1/2 teaspoon salt
Method: Sift flour and salt. Cut in Parfay. Take out 1 cup and make the dough roll out to 1/4 inch thickness. Spread this with one-half of the reserved mixture. Fold the ends together and seal. Then roll again to 1/4 inch in thickness. Spread with the remainder of the dry mixture and repeat. Roll as for jelly roll. Put into paper cups and place in muffin tins. Bake edges and bake 15 minutes at 300 degrees. Makes eight medium sized shells. Fill with cherry filling.

CHERRY FILLING

2 cups canned pitted sour cherries
1 cup boiling water
1/2 cup sugar
2 tablespoons cornstarch
Method: Drain juice from cherries. Combine cherry juice, boiling water and sugar. Bring to a boil and strain. Blend the corn-

starch with a little water and add to hot liquid. Cook over moderate heat until it thickens, stirring the while. Remove from heat and beat with rotary egg beater to remove scum. While hot pour over the cherries. When cool fill baked shells and serve with a spoonful of whipped cream on top.

BANANA CREAM PIE

1-3 cup flour
3/4 cup sugar
1-8 teaspoon salt
2 eggs
2 cups milk, scalded
1 teaspoon vanilla
Bananas
Whipped cream
Method: Mix sugar, flour and salt thoroughly. Add the eggs, slightly beaten. Pour on gradually the scalded milk. Cook in double boiler for 15 minutes. Stirring until thickened. Cool. Add vanilla. Pour into baked shell, slice three bananas over top and cover with whipped cream. Bananas may be sliced over bottom before adding the filling.

FISH LUNCHEON

2 slices halibut, one inch thick
2 slices salmon, one inch thick
3 cups cooked rice
1 can tomato soup
1-2 pound American cheese
Parfay
Method: Wipe sliced fish with damp cloth. Alternate the two kinds on a baking dish which has been lightly covered with Parfay. Season with salt, pepper and paprika. Mix rice with tomato soup. Arrange on top of fish slices. Cover with thin slices of cheese and bake at 400 degrees for 20 minutes. Serve garnished with green pepper rings and lemon slices.

OATMEAL COOKIES

1 cup Parfay
1 cup sugar
1 egg
1 cup sour milk or buttermilk
2-3 teaspoon soda
1 teaspoon salt
2 cups oatmeal
1 cup raisins
1 cup walnuts
1 teaspoon cinnamon
1-2 teaspoon nutmeg
1-2 teaspoon cloves
2 cups flour
Method: Cream shortening and sugar, add egg and beat well. Sift flour, salt, spices and soda and add alternately with milk. Mix in rolled oats, raisins and chopped nut meats. Drop on oiled baking sheet and bake 15 minutes in a 400 degree oven.

TALBERT

TALBERT, Sept. 18.—The filling which is being placed in the canal through Talbert from the source to the outlet was laid through the town of Talbert Wednesday.

The two sons-in-law and daughters of Mr. and Mrs. Robert Gislser, Mr. and Mrs. Jack Harpster and Mr. and Mrs. Robert Marshall, are away on vacation trips at the present time. Mr. and Mrs. Harpster have gone on a hunting trip into the Redding district and will also visit Mr. Harpster's mother in Berkeley, while Mr. and Mrs. Marshall

have gone to Tennessee to visit Mr. Marshall's mother and contemplate remaining for two world series games while in the east.

Mr. and Mrs. George Bushard and sons, Jack and Jimmie have returned from a camping trip which they made into the mountains above Bakersfield. The family spent one night at Kettleman Hills with their son-in-law and daughter, Mr. and Mrs. T. R. Way, and Mrs. Way and Teddy Verne accompanied them to their camp, which was located on the ranch of a friend, Mrs. Smith.

Robert Gislser and sons, Walter Gislser and Tom Gislser, motored to Imperial valley Wednesday, returning the same day.

Mr. and Mrs. Henry Landin and son, Leslie Landin, of Los Angeles, were entertained as Sunday guests by Mrs. Landin's brother-in-law and sister, Mr. and Mrs. P. Lacabanne.

Mrs. Dorothy Gislser and Miss Lucille Gislser attended a golf tournament in Santa Ana Tuesday evening.

The attendance of the Fountain Valley school for the commencement of the second week was given as 290 pupils. Mexican children up to the third grade are segregated.

Miss Fay Bushard was brought to her home Sunday from the Santa Ana Valley hospital. Miss Bushard is not allowed to be up but is steadily improving from her injuries.

The regular third Thursday meeting of the Fountain Valley Land Owners' association was held at the school house for the regular business session. Miss Louise Wardlow has been appointed secretary of the organization.

Mr. and Mrs. Otto Hoffman, of Costa Mesa, were recent evening visitors in the home of Mr. and Mrs. Harvey Warner and Tuesday Mrs. Warner had as a guest, Mrs. Lee Jennings.

Mr. and Mrs. Robert Harper and family motored to Downey Sunday

and visited Mrs. Harper's sister, Mrs. Fallon and family.

Mr. Turner sr., father of the Rev. T. P. Turner, pastor of the local church, has returned from a week spent at San Bernardino with his two granddaughters, Mrs. Carl Crowson and Miss Katherine Turner, whose marriage is to take place in November, was the honor guest at a pretty gift shower given during the week by friends in San Bernardino.

The Rev. T. P. Turner had a minor operation performed Wednesday at the Anaheim hospital, returning to his home following the operation.

SOME WOMEN AGE SO YOUNG

You've known them . . . women who start out in life so radiantly fresh and alive! Then something happens . . . their bloom and freshness disappear. They constantly have "something wrong"—headaches, backaches, listlessness.

Constipation wrecks health and happiness for thousands of women and men. Its poisons cause more illness than any other one thing. . . .

And it can be prevented so easily! Kellogg's ALL-BRAN is guaranteed. This delicious cereal makes dangerous pills and drugs unnecessary. You enjoy eating it—and it helps keep you fit.

ALL-BRAN adds the "bulk" your diet needs to keep the

system clean of poisonous wastes. It also adds iron to the blood—bringing the glorious color of health to cheeks and lips.

Eat Kellogg's ALL-BRAN in some form every day. With milk or cream—in fruit juices, omelets, soups. Sprinkled over other cereals—in muffins, bread. You could not follow a better rule of health. At your grocer's. Made by Kellogg in Battle Creek.

COSTA MESA, Sept. 19.—The Monday Night Bible Study class at the R. Viele home had Mrs. M. Mann, of Los Angeles, as class teacher, the Rev. R. L. Spioer being away this week. Mrs. Mann's lesson subject was "Choose and Believe." J. Lanier of Los Angeles, was a class visitor.

Walter Mellett was operated upon for appendicitis Wednesday afternoon.

Mrs. Ruth McKenzie, who has been in Europe the past summer, returned to New York, September 14 and left Wednesday for two days at Washington, D. C. She will be in St. Louis, Mo., and at her brother's home a few days and expects to be in Costa Mesa by October 1.

Joe Clark, son of S. W. Clark, of Clark's court, his wife and three daughters, Virginia, Alene and Jean, of Maxwell, Neb., are visiting at the S. W. Clark home on Balboa street. The Joe Clark family arrived last Saturday and will make their home in Costa Mesa. They will live in the Clark court.

Harold Knighton, son of Mrs. S. W. Clark, left Costa Mesa July 2 for Maxwell, Neb., made the trip of 1900 miles in three and a half days via 17 autos. He returned with his relatives last week.

W. E. Cleveland, who was critically ill Monday with appendicitis, was much improved and able to be up Wednesday.

The success-secret in making pastry is the same in roasting **HILLS BROS COFFEE**

THE EXACT WAY to add water in making pastry dough is a little at a time. You thereby control the consistency. Hills Bros. roast their coffee a few pounds at a time by their continuous process which controls the flavor. No bulk-roasting method can produce such an even roast nor such a delicious flavor.

COUNTY LEAGUE JAYCEES END OPENS WINTER TRAINING FOR PLAY SUNDAY CHAFFEY TILT

The Orange County Baseball league will open its winter schedule starting Sunday. It was announced today following a meeting of the various managers of the clubs at Vic Walker's Sporting Goods house last night, at which time a number of important changes in the proposed schedule were made and the managers announced that they were ready for the season.

Schedule for the first games is:

- Huntington Beach at Laguna Beach.
- Brea-Olinda at Anaheim.
- Santa Ana at Cypress.
- Anapama Rancho at Associated Oil.

All games will be called at 2:15 p. m., and some of the rules agreed to were that no player should receive money; a deposit of \$20 must be paid by each club to insure the club finishing the season; a list of not more than 15 eligible players must be filed with the secretary before the start of the last round; home teams are allowed \$5 per game for expenses; any player whose name appears in the box score of a team is considered the property of that club and if he "jumps" club is ineligible to play with any other team for four league games. Trades will be allowed; professional players of higher than Class B classification are ineligible. Rules for the National league are official rules for league.

Ready to give Santa Ana its first taste of real football this season, the Santa Ana Junior college Dons polished off practice today in preparation for the grid premier on Poly field tomorrow when the Chaffey junior college Panthers invade the hacienda of the Dons.

Coach Bill Cook of Santa Ana and Bert Heiser of Chaffey were former teammates at the University of Southern California, and have a friendly rivalry with their teams. Last season, the Dons bowed twice to the Panthers, which accounted for two of the three defeats suffered during the season. In fact, the Ontario athletes made a clean sweep, winning also in basketball and baseball, so the Dons have old scores to settle.

With Captain "Zeke" Keough, all-conference quarterback, leading a band of veterans before the familiar green grandstand on Poly field, the Panthers will be a formidable team.

The Dons kept in trim yesterday afternoon by scrimmaging with Coach "Tex" Oliver's Santa Ana high school Saints. Although the collegians did not carry the ball and played strictly defensive ball, the Saints advanced through the Dons at will and looked very impressive. Cook had his players under wraps, however, with orders not to tackle and his players were consequently put at a disadvantage.

All Players Used

Both coaches used every man on the field and a continual stream of substitutes entered the game.

As for the Dons, Mike Santa Cruz, who started at tackle and Curt McCoy, who replaced Captain Al Kluthe, both from Orange, looked outstanding. Both were pulling down ball carriers and mopped up several plays. Bill Harkleroad also nipped some potential touchdowns in the bud. The starting Don combination was composed of Bill Harkleroad and "Toke" Greenow, ends, Mike Santa Cruz and Harry Lake, tackles, Wayne Bartholomew and Kermit ("Briek") McCoy, guard, Captain Al Kluthe, center, Wayne Garlock, quarter, Melvin Beatty and Franklin Van Meter, halfbacks and Clarence Hapes, fullback.

From all indications, it is highly likely that this team will start intact Saturday against the Panthers with one or two exceptions. Hal Dunham, veteran end, will probably get in at end with Harkleroad and big Harry Clayton might begin at tackle. Bartholomew, a made-over center, is showing up well at guard but may share the spot with Gene Olsen. In the backfield, Cook has quite an array of players but Garlock, Beatty, Van Meter and Hapes look as good as any.

Butchers Win Second Half Pennant

TRIM OILERS 5-0 IN FINAL GAME OF YEAR

Striking out 17 batters and allowing only one infield hit, Ed Banta, new ace twirler for Peek's Market team in the Santa Ana City Night Baseball league, last night shut out the Eastern Oil Company nine, 5 to 0, established a new record for himself and at the same time hurried his team into the championship for the second half of the split season.

The game closed the regular night baseball season in Santa Ana, except for the playoffs between the winners of the first and second halves for the city championship, which will be held next week.

By winning last night, Peek's Market finished the last half of the season with eight wins and one loss, the American Legion team being in second place with seven wins and two defeats. Had the Butchers lost last night there would have been a tie between these clubs.

There were actually 26 men who faced Banta last night. He whiffed 17, walked 4, one was safe on a hit and three popped up to Berry at first base. No ball was knocked out of the infield, and there was only one assist, Banta to Berry.

Both pitchers were unbeatable for the first three innings of the six and a half inning game. Smith, shortstop for Peek's, smashed a terrific home run in the fourth, and after that the meat cutters scored in each of the two remaining innings, one in the fifth and three in the sixth.

Joe Ochoa was in rare form also, allowing only three hits, two of which came in the last inning.

Plan Series

Officials of the league were to meet, probably today, to discuss plans for the playoff between Peek's Market and the Builders Exchange, the latter being the winners of the first half. The games probably will be played the forepart of next week.

27 TURN OUT FOR CLASS 'C' FOOTBALL

Coach Clyde Cook, head man for the Class C football teams at the Santa Ana high school for the past few years, had another brood of 110 pounders to work with today following the turnout of 27 men in suit yesterday.

The "Cees" lost virtually every man by graduation and Coach Cook is faced with the task of building an entirely new team. Fortunately several of his charges have had experience with the two junior high school teams but the lightweight competition in the Coast league is very strong and the Little Saints will have to present a strong team to win any games.

Cook has not scheduled any games yet but when the season starts, will play curtain raisers to the high school contests. Those who turned out for the team included Merritt McCoy, Claude Owens, Joe Knox, Herb Woodyard, Joe Koral, Harold Daley, Richard Flynn, Bruce Harms, Adair Terrell, Jack Pegues, Harold Plocaiton, Jack Preston, Walt Crane, Chester Anderson, Lee Hoffman, William Mitchell, Bill Wilson, Dick Waite, Bob Wimbush and Bob Brown.

TOWER MASS

PARIS—Some fifty students and Abbe Buffet, chaplain of the Ecole des Beaux-Arts, gathered on the upper platform of the Eiffel Tower recently and Abbe told the students that the celebrated mass thereon. The mass was not out of curiosity, to meditate upon the infinite. "From this lofty 'chapel,'" he said, "every one should realize the value of the word infinite." The religious service was held 905 feet from the ground.

WHEN A CHAMP TAKES THE COUNT

On the floor for the count of ten—but a champion still—Al Singer, lightweight title-holder, is shown here after he had fallen afoul of the savage rights and lefts of Jimmy McLarnin, Vancouver Irishman, in the third round of their scheduled 10-round bout at Yankee Stadium, New York. McLarnin is pictured standing in a neutral corner while Referee Johnny McAvoy counted out the "New York flash." Because it was a handicap match, Singer's championship wasn't affected by the victory of his welterweight opponent.

'Wildman' Gets Big Chance In Wills Bout

"Wildman" Macias, a c e welter, will get his big opportunity next Wednesday night at Wilmington, when he faces Young Harry Wills in the 10-round main event.

Macias, fresh from his knockout win over Bubba Johnson, Negro, at Ventura several days ago, believes that he is ready for the best on the coast and when he was offered a match with the wily Wills, jumped at the chance.

A number of Santa Ana fight fans were today anticipating the event and are to go from here to the Wilmington bowl.

COAST ELEVENS OPEN FOOTBALL YEAR SATURDAY

SAN FRANCISCO, Sept. 19.—(UP)—Football teams of Stanford, Oregon, Oregon State and University of Santa Clara, whipped into semblance of coordination by five days of training, will engage in their first games of the season tomorrow.

Although their style of play is certain to be erratic and somewhat slow, more than 30,000 persons are expected to watch their opening contests.

The Cardinals of Stanford have apparently been assigned the hardest task of inaugural day because they go against the improved West Coast Army team, a squad that held the strong Olympic club of San Francisco to a 13 to 13 victory last Sunday.

At least 15,000 fans are expected to travel to Palo Alto to see Glenn "Pop" Warner's new team try the new formation C against the soldiers. In the few days of practice, observers have noted that the most recent Warner formation seems to be a combination of formation A and formation B, each of which has become nationally known, with the exception that the veteran is now trying a balanced line.

Stanford beat West Coast Army last year, 45 to 0, but a team that made two touchdowns against the Olympic club eleven, composed of former college stars will probably furnish the Cards a tougher hour tomorrow.

Chances of a Pacific northwest team winning the coast title for the first time in a number of years may be predicted after Oregon meets Pacific university and Oregon State competes with Willamette University.

Oregon was one of four teams tied for first place in the Pacific coast conference last season and consequently attracts more interest in its encounter with Willamette than Oregon State in its game against Pacific.

An interesting game of football is expected from Santa Clara, which opposes California Agricultural college at Sacramento. Scouts from Stanford and California will probably watch the game, as the Broncos will meet California next week and the Cards on the following Saturday. Santa Clara and St. Mary's have always been the most formidable non-conference rivals of the Bears and Cardinals.

Athletics Cinch Flag In American

Cennie Mack and his Philadelphia Athletics today were in possession of their eighth American League baseball championship. The A's clinched their second straight flag Thursday when they defeated the Chicago White Sox 14 to 10, while the Washington Senators were losing 2 to 3 to the Cleveland Indians.

Philadelphia can now lose all seven of their remaining games and win the flag even though the Senators make a clean sweep of their remaining eight games. In that event the standing of the two clubs would be:

Philadelphia	99 55 .643
Washington	98 56 .636

SHOOTING SHUTE By Denny Shute

Any discussion of pitch shots, which includes backspins, and pitch-and-run shots, explosion shots and some others, is of interest to the average golfer. First, however, I want to tell you of a freak club that Horton Smith uses with a great deal of success.

It is a niblick designed especially for dipping into the sand. The club has the usual deep face of the niblick but the back is concaved and in that space are lead weights, giving the club a weight of something like 14 ounces.

Smith, Diegel Picked In St. Louis Open

SUNSET HILL COUNTRY CLUB, St. Louis, Mo., Sept. 19.—(UP)—Over the rolling fairways of this picturesque course, a field of more than 240 golfers, many of them nationally known professionals, participated today in the opening round of the 72-hole \$10,000 St. Louis open tournament.

Horton Smith and Leo Diegel were slight favorites for the first place \$2500 prize money, although Gene Sarazen, Johnny Farrell and Tommy Armour found the course to their liking in practice rounds.

Due to the size of the field, the contestants teed off in three sones, beginning at 7:30 a. m. 18 holes today and 18 more tomorrow, will decide the 64 golfers eligible for Sunday's final 36 holes of medal play.

Several well known amateurs were entered, including Emmett Spicer Jr., of Memphis, Tenn., who had a 69, three under par in a practice round.

PENNANT HOPES OF BROOKLYN GO GLIMMERING

By GEORGE KIRKSEY (United Press Staff Correspondent) NEW YORK, Sept. 19.—The St. Louis Cardinals just about had the National league pennant race decided today.

With only nine games left to play and a lead of a fraction over two games, the Cardinals seem to have the pennant won and will meet the Philadelphia Athletics in the world series starting October 1 unless Gabby Street's stalwarts show a complete reversal of form.

Sweeping the crucial three-game series against Brooklyn by winning the final game yesterday at Ebbets field, 4-3, the Cardinals all but crushed the pennant hopes of the Robins who went into the series in first place with an 11-game winning streak behind them.

The Chicago Cubs, who were started on their descent when Brooklyn took three straight from them last week, dropped farther behind the race by losing two out of three to the New York Giants who won the final game yesterday, 6-2. The Cubs are 2 1-2 games behind the Cards.

Catches Ten Inch Trout With Bare Hands for Tackle

DENVER, Sept. 19.—(INS)—Perhaps this is not the biggest fish story of the season, but it will be a hard one to beat.

Julian C. Riley, Denver radio expert, is an inveterate follower of the rod and reel. On a recent week end, however, he cast his rod aside, leaped into a mountain stream and caught a ten-inch rainbow trout with his hands. To give the trout its full share of credit, Riley explains that the stream was very small and that it really wasn't so difficult to chase the trout in a shallow pool.

LONDON.—When the Australian cricket team came here for some matches recently, they brought along a few words which were strange to England. "Pommy," for instance, means a new chum.

40 WORKING ON PIER EXTENSION PROJECT AT H.B.

HUNTINGTON BEACH, Sept. 19.—Forty men have steady jobs at this time on the municipal pier, a \$120,000 municipal project.

One hundred per cent of all experienced laborers on the pier job are making their homes in Huntington Beach. Fifty per cent of the employees are home laborers and mechanics. The only man on the job who does not live in Huntington Beach is the superintendent, J. C. Bauer, who owns his own home in Long Beach.

This project will be underway until well into December and the force of employees will gradually increase.

The city administration at Huntington Beach is planning other municipal works here, and the money to complete such work is already in the treasury. There will be over \$100,000 spent on street work by city and high school district; a \$10,000 street lighting improvement by the Southern California Edison company; a \$175,000 refinery plant by the Superior Oil company. The high school will spend \$30,000 building a plunge and the elementary school will spend a like sum.

Harry Bakre is planning a hotel building and other extensions and improvements at the Golden Bear cafe. Mrs. Marie J. Wiener and the group with which she is associated will erect a two-story modern apartment building on Third street near Olive.

The General Salt company's plant on Cypress drive is employing 25 or 20 men and is a financial success for its owners and operators.

In all the conditions in Huntington Beach have not looked brighter for years than at the present time, according to the opinions of bankers and businessmen.

BAGS 3-POINT DEER

SAN CLEMENTE, Sept. 19.—Art Strang has been the first San Clemente hunter to get a deer. Leaving the Spanish Village on Monday with Ralph Swigart, San Clemente, Jack Swigart, Los Angeles, and Hollis Chapman, Buena Park, the party went about 12 miles from Warner's Hot Springs. On Wednesday Strang bagged a three-pointer. He was the only member of the party to get a deer.

HUNTINGTON BEACH, Sept. 20.—Mrs. Marie J. Wiener has purchased from U. H. Platten, of Santa Ana, the 75-foot frontage on Third street between Olive and Orange, adjoining the Ford garage. There are five bungalow courts on the property.

It is the plan of Mrs. Wiener to erect a two-story apartment building on the property with strictly modern apartments, with all the new built-in features.

PROGRAM FOR LOS ALAMITOS GROUP LISTED

LOS ALAMITOS, Sept. 19.—The calendar for the year as outlined by Mrs. E. L. Johns, president of the Woman's Improvement club, promises many interesting meetings.

The October meeting will have Mrs. Agnes McEwen, southern district chairman of legislature, as speaker. In November, Mrs. Albert Launer, state chairman of highways and waterways will speak.

Mrs. A. P. Nelson, state chairman of social and industrial problems, will address the club in December, while the January meeting promises the three county chairman of art, music and the drama.

February brings the reciprocity tea, which will be a Martha Washington costume party. The theme of the March meeting will be "Gardens," with a speaker as yet unnamed. In April on guest day, Mrs. Burgess, state chairman of Indian welfare, will be the speaker.

Mrs. J. W. Smoot will have charge of the class in law and business insurance for the Los Alamitos club this year.

RELIGIOUS SCHOOL OPENS OCTOBER 1

HUNTINGTON BEACH, Sept. 20.—The Methodist church school, a 10-week course in religious education and teacher training, will be opened October 1 at the church. Opening day will be rally day and all members of the church are invited. A nationally famous leader will be obtained for the feature talk of the evening.

On every Wednesday evening for 10 weeks following there will be school courses for children and adults with teachers for the various classes. The sessions will open each week with a 6:30 o'clock dinner.

Fullerton Club Of Toastmasters Meets Sept. 25

FULLERTON, Sept. 19.—Announcement that the Fullerton Toastmasters' club, which was previously organized for the purpose of training its members in public speaking and which disbanded for a time, will resume its meetings Thursday night at McFarland's cafe, was made today by Harry Felling, who is reorganizing the club. The meetings will be held once each month, Felling pointed out, in stating that meetings may be held more frequently in the future if the members so decide.

All who desire to join have been asked to make arrangements with Felling. Members will be instructed as well as criticized in the talks, Felling stated.

P.-T. A. GROUPS ARE SELECTED IN PLACENTIA

PLACENTIA, Sept. 19.—Committees for the year were announced today by Mrs. Oscar Carlson, president of the Placentia Parent-Teacher association. They are as follows:

Christensen, Miss Katharine May and Mrs. W. F. Speer; child welfare, Mrs. B. M. Hennessey, chairman; Mrs. O. D. Beck, Mrs. Isaac Mayfield and Mrs. Norman Reeves; magazine and emblems, Mrs. Frank Hill, Mrs. E. A. Roddeck and Mrs. J. Wilsey.

Safety, Glenn Riddleberger and Mrs. J. H. Rymer; finance and budget, Mrs. Orman Harlowe and Mrs. Dean Hannon; education, Miss Bessie Clarke; music, Mrs. Leon Gillman, Mrs. Florence Arnold and Miss Barbara Ames; press, Mrs. Lewis Edvardson; art, Miss Agnes Ginter and Mrs. Olive Smith; standard, Mrs. L. V. Steen; study circle, Mrs. Richard White and Mrs. D. J. Brigham.

The new officers for the year are, Mrs. Carlson, president; Mrs. W. D. Solesbee, vice president; Mrs. LeRoy Lyon, recording secretary; Mrs. Leon Gillman, corresponding secretary; Mrs. George Holmich, treasurer; Mrs. Lewis Edvardson, parliamentarian; Mrs. R. W. McCool, historian; Mrs. Frank Anderson, auditor.

The first meeting of the year will be held October 7, at 2:45 p. m. Preceding it, the president, Mrs. Carlson, and the past president, Mrs. Lewis Edvardson, will call a joint meeting of their executive boards at 2 p. m. to go over the work of the past year and make plans for the new year.

WATER SITUATION BREA BOARD TOPIC

BREA, Sept. 19.—A discussion of the water question was held by the Brea city council at the regular meeting Wednesday evening and City Engineer George Bates was requested to investigate the state record of underground water in this section, with the idea of developing more water for the city before next summer.

An ordinance was passed setting the tax rate at \$1.50 on the \$100, and a resolution was passed accepting the bid of the Southern California Edison company for the franchise.

F. J. Schweitzer acted as chairman of the board in the absence of Mayor Ted Craig, who is in Sacramento.

LA HABRA HORSES GET FAIR PRIZES

LA HABRA, Sept. 19.—The two horses of P. J. Welsel of La Habra Heights captured honors at the Pomona fair yesterday. The two horses were entered in the two-year-old breeding class and are "Encinas King," first and second place for stallions of this type, and "Royal Encinas," second place in the one-year-old class. "Encinas King" was placed in the reserve champion class.

Their sire was Edna May's King, recently sold for \$75,000. His former purchaser at Bel-Air stables paid \$40,000 for him. Welsel's horses won several prizes at the state fair recently.

Spanish Village Chamber Seeks to Retain Kelp Beds

SAN CLEMENTE, Sept. 19.—The San Clemente Chamber of Commerce will open a campaign tonight to keep commercial interests from depleting the kelp beds off the San Clemente strand. It is claimed that industry, using kelp for fertilizer, destroys fishing banks on the coast and it is San Clemente's plan to keep its fishing beds open to the public.

The chamber of commerce will start a movement to secure a golf club organization so that this city can conduct tournaments with the sanction of recognized organizations.

DeMolays Of Beach City To Initiate

HUNTINGTON BEACH, Sept. 19.—DeMolays of Long Beach will initiate new members into Huntington Beach chapter, September 23 at I. O. O. F. hall. It is urged that all applicants for membership as well as all Master Masons be on hand at 7:30 o'clock.

The chapter of De Molay is sponsored here by the Masonic club. All young men between the ages of 16 and 21 of good character are eligible for membership. Application blanks can be had on application to Ben Honold, Fred Grable, Ed Wilson or Alex McAdams.

3 STREETS OUT OF DISTRICT AT LAGUNA BEACH

LAGUNA BEACH, Sept. 19.—Withdrawal of three streets from the district comprising Gleneyre and other streets, long delayed, and the receiving of a petition asking extending of sewers into the southern part of town were the outstanding items of business coming before the city council Wednesday evening.

The sewer project brought out a number of questions from citizens present, particularly as to cost and procedure, a letter from George J. Webster stating his opposition also being read. The city council a year ago instructed the then city engineer, A. J. Stead, to make certain preliminary surveys. These were made and the acts under which the work would be done were decided on, counsel being secured in an advisory capacity, and engineering firm also acting with the city engineer. A citizens' committee worked with the council.

Mr. Webster in his letter referred to this and wanted to know if the engineering work done already would not be available. Others wanted to know what expenses the present city engineer, Frank P. Gowan, would incur, objection being made to bills being brought before the city for this work. In the final disposition of the petition it was referred to Mr. Gowan.

The withdrawing of three streets, Beach, Ocean avenue and Paseo, was by a majority petition reported back to the council by City Engineer Gowan in time for the council to authorize the withdrawing. City Attorney Leslie F. Kimmel was instructed to notify Special Counsel Arthur M. Ellis, who handles the legal work in the improvement district. The reason given for separating from the major district was in the interests of hastening the work, which has been long approaching the point of letting the contract.

Carl E. Benson asked what could be done to keep the board walk open every day of the year. It was referred to City Attorney Kimmel for report. Councilman R. L. McCrea was instructed to arrange for having the books of past city treasurer, Vernon F. Rush, audited. The health officer's report was read and filed. Engineer Gowan was instructed, on his own suggestion of the need of standard specifications for city work, to prepare such specifications.

Ted Moen offered to exchange property constituting an abutment angle on Coast boulevard for a triangular piece at the foot of Ocean avenue in order to straighten property lines. The proposal was referred to the city engineer for checking and making of arrangements. A request was received from B. O. Miller asking abandonment of a small triangular strip fronting the property of the old Breakers hotel. Bills were approved and bids asked for city printing and publishing. A plot for subdividing the eucalyptus grove just outside the city, now known as Sarah Thurstun park, was not acted on. Fred Leach, offering it, was referred to the county planning commission. The council adjourned to next Wednesday evening.

LAGUNA BEACH

LAGUNA BEACH, Sept. 19.—Rev. and Mrs. F. H. Woodside, of Los Angeles, friends of many years of Mr. and Mrs. J. D. Tracy, of this city, have been visiting the latter on Gleneyre street. On their return, they were accompanied by the local people.

The Rev. and Mrs. W. H. White, who have spent the summer here, have returned to Magnolia church, East Brawley. They hope to be here again next summer.

Stella Atwood has gone to Brookbury, Mass., to be gone for a number of weeks.

David Tausky, artist, who has been sketching here for several months, has returned to New York City.

SAN CLEMENTE P.-T. A. NAMES NEW OFFICERS

SAN CLEMENTE, Sept. 19.—San Clemente Parent-Teacher association officers for the year have been elected. Mrs. George Ferguson will again lead the organization as president. Other officers follow: Mrs. Ed Hawley, vice president; Mrs. Lester Abell, secretary; Mrs. L. Rollinson, treasurer; Mrs. Robert Pluma, historian; Mrs. J. W. Barry, auditor.

Mrs. Ferguson announces the following committee chairman: program, Mrs. Lota Blocker; press, Mrs. Helen Green; education, Mrs. Hortense Vernon; hospitality, Mrs. Daisy Rowland; membership and study circle, Mrs. Virgil Westbrook.

Meeting of the board of managers, comprised of officers and committee chairman will be held the first Thursday of each month at the home of Mrs. Ferguson. Regular meetings will be held at the school auditorium the second Thursday of each month.

The San Clemente chapter is preparing for the fourth district meeting, which will be held in San Clemente October 11.

Council Organizes Lighting District In San Clemente

SAN CLEMENTE, Sept. 19.—The council at its session this week, took formal steps to form a lighting district. The district map, plotted by W. A. Ayer, city engineer, was accepted and resolutions forming the new district adopted. The new district will go into effect Jan. 1, 1931.

The council voted to join the Orange County Const association. To protect firemen and police under the workmen's compensation act, an ordinance defining the duties of this class of city employees was introduced. It was voted also to create a separate sewer fund, using all sewer connection money for improvement of streets where such connections were made.

Surprise Party Held In Anaheim

ANAHEIM, Sept. 20.—A happy surprise party was staged by the members of the Business and Professional Women's club last evening honoring Mrs. Kate E. McCullah, retiring president of the club.

As a gift from the members the honored guest was presented with a book much coveted by her, which deals with musical subjects, her profession. Mrs. McCullah was also given a past president's pin. The self invited guests served refreshments supplied by themselves.

LAGUNA BEACH THEATER WORK BEGINS AT ONCE

LAGUNA BEACH, Sept. 19.—Work of excavation will be started at once for a new theater for Laguna Beach.

Fred Aufdenkamp, owner and

manager of the Lynn theater, is authority for this assertion. It is to be located on Ocean avenue about 200 feet from the state highway and will have a seating capacity of 1200, Aufdenkamp says. The frontage is to be 30 feet, the depth to be 140. The contract will be let by October 1.

The new theater, the name is not yet selected, is to be modern in every respect. The architecture is Mayan in style, with modifications. The estimated cost is \$50,000.

Though Aufdenkamp has from time to time vaguely hinted that he expected to build on his Ocean avenue property, he had not indicated that the project was scheduled for the near future, and his announcement of intention to build at once came as a surprise.

Mr. and Mrs. Aufdenkamp, who have their son, Lynn Aufdenkamp associated with them at present, are theatrical people of experience. They have conducted the Lynn theater successfully for a number of years. It has been a modern theater at all times, keeping abreast of the changes made. The most recent innovation has been the installing of head phones for those of impaired hearing.

"CRACK-PROOF" TEXACO

DRIVE a few yards in reverse gear. Notice how the engine races. Notice what a pull it places on your motor! Then imagine driving across the entire continent, from New York to Los Angeles and back—all the way in reverse!

That's exactly what the "back-up" boys, world's champion reverse drivers, did with a Ford at a speed of 10 to 12 miles an hour. This is equal, according to Ford authorities, to 50 to 60 miles in high gear.

Success depended upon perfect lubrication

Practically all radiator ventilation and fan cooling were eliminated by driving backward. Their engine speed, equivalent to 50 to 60 miles in high gear, was maintained for 42 consecutive days. The abnormal engine heat was intensified to almost scorching proportions on the Great Salt Lake Desert, where the thermometer registered 121° F. Anything less than perfect lubrication would have spelled disaster.

Crack-proof Texaco meets every test

After they had conducted many comparative tests they selected the new crack-proof Texaco as the one motor oil most likely to withstand the terrific heat and engine strain. And once again the new Texaco has lived up to every expectation—has proved its longer-lasting qualities that will not break down under any driving conditions.

Modern engines demand an extra margin of protection. They demand better lubrication. Car owners demand lower oil consumption, smoother, quieter engines and freedom from carbon.

The new crack-proof Texaco Motor Oil and Texaco-Ethyl, the "dry" Ethyl Gasoline, provide all these advantages. Wherever you may be, stop at the first Texaco Service Station—where you see the Texaco Red Star with the Green T.

ORANGE GROUP PROGRAM FOR YEAR OUTLINED

ORANGE, Sept. 19.—The upward look, the backward look and the forward look were discussed at the meeting of the Women's Missionary society at the First Presbyterian church yesterday afternoon. Miss Sue Scarritt presided at the meeting and the program was in charge of Mrs. Robert Burns McAulay.

The upward look was typified in the devotional service, which was led by Mrs. Clara Summers. The backward look was a delightful resume of personal experiences with missionaries given by Mrs. M. H. Baylor. Mrs. Baylor recounted numerous occasions when she had met missionaries and recalled the activities and talks given by returned workers whom she had heard speak in earlier days of the missions.

The forward look of the society was given when members present were divided into three groups under leaders and held brief conferences in outlining the year's activities. The groups were designated as the red, the green and the orange groups, with Mrs. C. W. Coffey in charge of the first, Miss Sue Scarritt in charge of the second and Mrs. R. W. Jones in charge of the third.

Mrs. Coffey made the report for the red group after their discussion of past and past year's record and the plans for raising funds for the coming year's work. A luncheon was suggested as one of the money making projects which would be both pleasant and profitable.

A report of last year's work revealed that the society had always met its obligations and that \$1185 had been raised to carry on the work of the organization. Of this sum, \$585 was used for national missions, \$565 for foreign missions, \$31.50 as a contingent fund; \$5 given to the Bel-

vedere church and \$80 used as operating expenses at home. Of the latter sum, \$20 was paid to speakers, it was said.

Other tentative plans of the red group included a series of teas to be given in homes and calls to be made on non-attending members of the society.

The orange group reported through its leader, Miss Sue Scarritt, that as a means of interesting women of the church in missions personal contacts must be made and that a way to interest young women in the work undoubtedly might be made by asking them to aid in programs and to take an active part in the work. Speakers for the year were discussed by the group.

As chairman of the green group, Mrs. R. W. Jones reported that women meeting with her had talked of the tools of the missionary workers which included study books and library work. She declared that her group had decided that in order to correctly use the tools offered them members of the society should take as its motto the one adopted by the general assembly of Presbyterian churches and make the year one when "Life as a stewardship" should be stressed. A book by this title is to be used in the study course of the society.

The committee in charge of the meeting included Mrs. C. E. Lush, Mrs. R. B. McAulay and Mrs. M. H. Baylor, and hostesses were Mrs. Jerome Westfall, Mrs. D. C. Drake and Mrs. Stephen McPherson.

After 40 Bowel trouble is Most Dangerous

Constipation may easily become chronic after forty. Continued constipation at that time of life may bring attacks of piles—and a host of other disorders.

Watch your bowels at any age. Guard them with particular care after forty. When they need help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proved perfectly safe even for babies. Made from fresh, laxative herbs, pure pepsin and other harmless ingredients, it cannot gripe; will not sicken you or weaken you; can be used without harm as often as your breath is bad, your tongue is coated; whenever a headachy, bilious, gassy condition warns of constipation.

Next time just take a spoonful of this family doctor's laxative. See how good it tastes; how gently and thoroughly it acts. Then you will know why it has become the world's most popular laxative. Big bottles—all drugstores.

DRAMA PUPILS PREPARING TO PRESENT PLAYS

ORANGE, Sept. 19.—The first play to be presented this year by students of the drama classes of the Orange union high school will be "Her Temporary Husband." The play will be a part of the work of the students of the second year and will be cast soon. The date has not been set.

According to F. L. Carrier, head of the department, other plays to be given this year will include "The Youngest," "Kempy," "The Lilies of the Field," and "The Haunted House."

Classes in drama are full this year, the instructor states.

Plays at the high school for a number of years past have received the enthusiastic support of students and townspeople alike.

AUDIT UNDER WAY

ORANGE, Sept. 19.—The annual audit of the city books is being made at the city hall this week. The R. D. Crenshaw company is making the audit.

Mrs. W.B. Hampton Honor Guest At Picnic In Park

ORANGE, Sept. 19.—Mrs. W. B. Hampton was the honor guest at the annual picnic of the Orange union high school faculty held at Irvine park last night. Miniature golf was enjoyed on the Oaks golf links the first part of the evening and afterward dinner was served on the picnic tables at the park.

Amusing stunts were enjoyed after dinner and Mrs. Hampton was presented with a handsome casserole, Ross Taylor making the presentation. Mrs. Hampton formerly was Miss May Hotchkiss and was a bride of the past summer.

A school to be held next year has been arranged.

Honor Newlyweds At Church Party Thursday Night

ORANGE, Sept. 19.—A party honoring Mr. and Mrs. Clarence S. Todd, recently married, was given last night after the choir practice at the Christian church. Friends of the choir members were guests and 30 enjoyed the evening of games. Refreshments were served by the committee with Mrs. Gill as chairman. A box of jokes was presented to the bridal couple by members of the choir and an original poem was given by Mrs. W. M. Whitney. The choir presented a gift to the bridal couple.

CHURCH CONFERENCE SET FOR SATURDAY

ORANGE, Sept. 19.—A church conference is scheduled to be held tomorrow at the First Presbyterian church, at which time plans for the year will be outlined. The sessions will open at 3:30 p. m., and will close at 8:30 p. m.

The Rev. Robert Burns McAulay, pastor of the church, will preside.

MUSIC CLASS TO MEET EVERY TUESDAY NIGHT

ORANGE, Sept. 19.—A university extension course which is to be offered by the University of Southern California at the Orange union high school this year, will be a voice class, which is to meet every Tuesday evening at 7 o'clock. The preliminary meeting is to be held September 23 in the music room of the school which is on the third floor of the main building.

The usual fee will be required and this will include the registration fee. Teachers who take the course will be credited for institute, it is announced.

Horatio Cogswell will be in charge of the course. Mr. Cogswell is the chairman of the voice department of the university. Last year 25 voice students took the course and several good voices were discovered. Phyllis Lucy Keyes, of the high school music department, is the secretary of the class and those wishing to join may obtain particulars from her. The first meeting will be for organization and no charge will be made on that evening.

Mrs. Gertrude Collver To Head Legion Auxiliary

OFFICERS ARE SELECTED FOR ENSUING YEAR

Mrs. Gertrude Collver, popular member of the American Legion auxiliary, was unanimously elected as president of that organization at a meeting last night in the Legion hall.

Mrs. Collver has been a prominent auxiliary worker in Santa Ana for several years. She held the office of treasurer for two years, was ways and means committee chairman for one year, served one year as second vice president and the past year has been first vice president. She also is business manager of the auxiliary Glee club and is chairman of the tree planting committee of the city planning commission. The honor bestowed on her last night was in recognition of the work she has done for the unit.

Other officers elected were Mrs. Martin Mathews, first vice president; Mrs. Margaret Hill, second vice president; Mrs. Mabel Thatcher, secretary; Mrs. Ann Scudder, treasurer; Mrs. Mabel Leach, chaplain; Mrs. Gretchen Kellogg, musician; Mrs. Ruth Jellis, sergeant-at-arms; Mrs. Irene McCormick, Marshal and Mrs. Edna Eklund, historian.

Executive committee members elected are Mrs. Emma Penn, Mrs. Nora McCalla and Mrs. Hazel Turton.

County council members are Mrs. Gertrude Collver, Mrs. Agnes Struble, Mrs. Marian Mathews, Mrs. Myrtle Cain, Mrs. Margaret Hill, Mrs. Ann Scudder, Mrs. Ruth Jellis, Miss Julia McGill, Mrs. Edna Eklund and Mrs. Ann Lilemer.

On Sept. 25, members of the local unit, in company with other Orange county units, will attend a meeting of the Lonnie Boyd post of the American Legion at the Veterans' hospital at San Fernando. They will take home made cakes as a treat for the patients.

On October 4 the Santa Ana unit, together with the Garden Grove auxiliary will hold a sale of veteran made articles at the Orange county fair, Mrs. Arthur Eklund, of the local unit, and Mrs. Ida Ramirez, of Garden Grove, will be in charge. The funds obtained will be returned to the disabled veterans who made the articles.

The auxiliary will give a dinner for all members on October 16 at the Legion hall, to be followed by a short business meeting and an evening of games. On October 31 is to be a Halloween party with Mrs. C. G. Thatcher in charge of arrangements. This dance is an annual affair, given for Legionnaires, auxiliaries and friends.

The joint installation of officers of all Orange county units will take place in Santa Ana, in October, the date not having been definitely decided upon.

RIOT UNKNOWN AT PRISON ON ALCATRAZ ISLE

BY SHERMAN MONTROSE
NEA Service Writer

SAN FRANCISCO, Sept. 19.—On a rocky island in the middle of San Francisco bay is one of the most unusual prisons in America—a prison where there has never been a riot or disturbance, where cleanliness and order prevail and where each prisoner is kept busy at useful work and taught a trade by which he can support himself when his term ends.

It is the United States Army Disciplinary Barracks on Alcatraz Island, used since 1868 as a prison for military delinquents. Fortified in 1854, it was the first American military base on the Pacific coast. Its commandant, Colonel G. Maury Cralle, U. S. A., believes that prison riots breed themselves and asserts bluntly that there is no excuse for failure to take measures to prevent them.

At present he has 500 prisoners, lodged in what might be termed an ideal prison. The most striking feature of the place is its cleanliness. The cell block has huge windows on four sides, admitting an abundance of light and clean salt breezes from the bay. There is no crowding, each man having his cell to himself, and the "prison smell"—known by every man who has ever visited the ordinary penitentiary—is conspicuous by its absence.

Colonel Cralle points out that the prison is a self-contained unit where every prisoner has constructive and healthful work, performed under the direction of army men whose aim is corrective rather than punitive. This, he believes, is responsible for its success.

The use of soldiers as guards, he points out, is a distinct advantage. Brutality, favoritism and oppression by guards are generally largely responsible for the discontent that blazes into mutiny in other prisons. The soldier guard, being himself under strict discipline, is never guilty of any of these faults and as a result the prisoners get fair, equal treatment.

The present main prison building was erected about two years ago, over the old fortification guarding the bay. Within the last five years notable steps for the rehabilitation of the prisoners have been taken. Colonel Cralle got a loan of \$2500 to start a "model industries" project. A furniture and woodworking unit was started, followed by shoe-making, upholstery, tailoring, printing and other units to a total of 50, all designed to instruct the prisoners as well as to keep them busy. The \$2500 was quickly repaid, although the output of the shops cannot be sold outside of the army.

open to all prisoners, and motion pictures are shown regularly. Many men take correspondence courses. The prison yard is open for exercise whenever a prisoner is not otherwise engaged. There is an army chaplain on duty.

Prisoners who were not convicted of felonious offenses may ask to be returned to military duty, and the request is granted in many cases. Sentences can be shortened for good behavior, and often men are paroled to a civilian sponsor if jobs are waiting for them.

When a prisoner's term expires he is given a suit of clothing—tailored to his measure, incidentally, in the prison shops, and made of good cloth which he is allowed to select—a railroad ticket to his place of enlistment, and \$10 in cash.

FIVE ARRESTED BY POLICE IN ORANGE COUNTY

One man was arrested last night on a driving drunk charge, another was taken into custody on a check complaint, two were held on intoxication counts, and a fifth was locked up on a vagrancy charge, records at the county jail today disclosed.

John C. Murphy, 33, who gave his occupation as telegraph operator, 414 West Amerige avenue, Fullerton, was booked at the county jail on a charge of driving an automobile while under the influence of liquor. He figured in a wreck that occurred three miles west of Spadra street, Fullerton, near Oxnard street. Murphy was taken into custody by Fullerton officers, who responded to a call, and then was turned over to Deputy Sheriff Floyd W. Howard and Jess Buckles. The county directory fails to show any telegraph operator residing at 414 West Amerige avenue, Fullerton. A carpenter, however, is listed under that address.

Alleged failure to make good a \$10 check, drawn on the First National bank of Santa Ana and given A. N. Cox, manager of Hotel Finley, resulted in the arrest yesterday afternoon of George Armitage, 45, laundryman, living at California hotel, Fullerton. Armitage was taken into custody by Deputy Sheriff Fred Humiston and booked at the county jail on the check charge.

Tom Scanlon, 47, painter, who was unable to furnish any residence address but told the arresting officers that he hailed from Ireland, was booked on a drunk charge. He was arrested by Detective Sergeant E. E. Perry, of the local police department.

George W. Magr, 35, rancher, 124 East Alberta street, Anaheim, was arrested by city officers and was booked at the county jail on a drunk charge.

Walter Schultz, 22, ranch worker, of Newton, Kas., who invited himself to a free bed in a Pacific Electric car, spotted at the depot for the night, was arrested by Officers Swain and Murrillo, of the city police, and booked on a charge of vagrancy. Schultz, who has only

PASTOR IS NOT INTERESTED IN MARRIAGE TEST

"The church, irrespective of creed or denomination, should not lend a religious atmosphere to a marriage ceremony where the contracting parties are entering upon their new status with a reservation or proviso to dissolve the marriage relations after a certain number of years," the Rev. Perry F. Schrock, pastor of the First Congregational church of Santa Ana, today declared, commenting upon a reported movement launched in New York toward substitution of a limited term contract in marriage for the present "till death us do part" provision.

The Rev. Mr. Schrock is one of the leading ministers in the Congregational church. Because of his broad views and deep interest in sociological questions, his opinion in these premises is of more than ordinary interest. The movement started by the Church of Universal Design of New York, reported to have a counterpart in England, is nothing more than an attempt to clothe a trial or so-called companionate marriage with a religious atmosphere, declared the Santa Ana churchman. He added that in his opinion such a marriage is simply a civil law arrangement where two persons enter into a contract to live with each other for a number of years. Stripped of the spiritual element associated with marriage, the Rev. Mr. Schrock failed to see why there was even an attempt to enlist the aid of the church in such a proposal.

Architects Name Frank Lansdown District Leader

The annual meeting of certificated architects of Orange county was held yesterday evening at Ketter's cafe for the purpose of electing a district representative for 1931. The meeting was well attended and many matters relative to the practice and conduct of the profession were up for discussion.

Frank Lansdown, local architect, was re-elected as district representative.

A question of vital interest to members was introduced in a letter sent by S. Bernard Wager, of Los Angeles, attorney for the California state association of architects. The state board of examiners is asking the co-operation of the local body in preventing violation of state law by persons and firms, designing and preparing plans for buildings, who do not possess a state license, and who neglect to give building owners written notification of this fact.

A complete list of certificated architects registered in Orange county received from the state board records the following licensed members: George C. Burnett, Santa Ana; Frederick H. Eley, Santa Ana; Frank Lansdown, Santa Ana; Everett E. Parks, Anaheim; Allen K. Ruoff, Santa Ana; Virgil D. Westbrook, San Clemente and Jupiter G. Vrydagh, Santa Ana.

Hostess to Preside At House-party In Mountain Home

Leaving today for the delightful mountain home at South Fork of Dr. and Mrs. George I. Chapman of 2032 North Main street, a party of matrons will be guests for the next week, of Mrs. Chapman, enjoying the wine-like air and autumnal scenery of this beautiful mountain resort.

Dr. and Mrs. Chapman have been spending some time in their cabin, and have had a series of guests. They returned to Santa Ana yesterday, and Dr. Chapman is remaining here, while Mrs. Chapman is entertaining the house party.

The group includes Mrs. Alice Harris of Los Angeles; Mrs. W. H. Haddock, Mrs. C. F. Skirvan, Mrs. Noel Berry, Mrs. Horace B. Van Dien, Mrs. Archie Herr and Mrs. H. Lühr of Orange.

Sessions of bridge were anticipated by the guests, who will vary the program of mountain pleasures with the quieter diversion of contract.

Guest From Kansas Completes Visit In Southland

Completing an enjoyable three weeks' visit in the Southland, Mrs. David McGowan, a house-guest of Mr. and Mrs. O. E. Forgy, 204 South Yosemite street, left Thursday for her home in Newton, Kansas, where Mr. McGowan preceded her by a fortnight after having joined her for a week here with Mr. and Mrs. Forgy.

The two families were neighbors and close friends a number of years ago in Newton, so the reunion was an especially happy one. While Mr. McGowan was here, he and Mrs. McGowan especially enjoyed a stay in the mountains, where Mr. and Mrs. Forgy entertained them in their pleasant cabin at South Fork.

On the day preceding her departure for home, Mrs. McGowan was hostess at a party luncheon given in Los Angeles at the Victor Hugo. Mrs. Forgy motored in the city for the hospitality, which was shared with half a dozen Los Angeles friends of the hostess.

Second Birthday Was Occasion For Jolly Afternoon Party

For two years now, little Miss Barbara Anne Breaker, daughter of Mr. and Mrs. H. C. Breaker, has been growing accustomed to the ways of the world, and deciding that it was time she made her debut, was honored at a charmingly planned party Wednesday afternoon honoring her second birthday anniversary. Her mother acted as hostess, and decked the home at 1252 South Van Ness street with a variety of delicately blossoms.

The little guests enjoyed an afternoon of games and contests, and were especially delighted with the ever popular donkey game. Miss Velma Anderson was accredited with being the best guesser as to where the animal's tail should be, and was presented with an attractive gift.

Refreshments were served late in the afternoon at tables carrying out a pink and white color scheme. Streamers leading from a central chandelier to the table, and tall tapers continued the chosen motif. Favors were painted china dolls and were highly prized by the young guests.

Those present other than Mrs. Breaker and Barbara Anne were Mrs. Jack Breaker, Caroline Mattheis, Velma Anderson, Barbara Jane McCellan, Edith Jean Breaker and Doris Breaker.

Travels Through East Are Described For Clubwomen

The hostess committee of the Ebell Second Travel section, consisting of Mrs. J. A. Ranney, chairman, Mrs. May T. Thompson and Mrs. Minnie Field, arranged for a delightful luncheon at the Santa Ana cafe as an event of this week. Twenty-two members were present and after the repeat adjourned to the clubhouse for the business meeting and program.

Plans for the year were discussed and committees appointed to serve at the regular monthly meetings. Following the business Mrs. E. B. Burns gave an interesting account of an auto trip enjoyed by herself and Mr. Burns and their son-in-law and daughter, Mr. and Mrs. Armin, to Washington, D.C., Boston and Niagara Falls. The trip was especially interesting to the party because it included visits to the former homes of Mrs. Burns' grandparents and to her own birthplace. On the return trip many short stops were made at interesting points. The whole trip took the party through 28 states of the Union.

College Faculty Will Present Reception Tonight

Amid a lovely profusion of autumn flowers, the Santa Ana junior college faculty will hold its annual reception for the freshmen and sophomore students in the "Y" hut tonight at 8 o'clock.

The Alpha Rho Tau, Jaycee club, has been fortunate in securing a number of beautiful etchings through President D. K. Hammond, which will be hung in the "Y" hut for the occasion. An excellent program has been arranged by Ernest Crozier Phillips, program chairman. Miss Thelma Schwalger of the faculty will present two vocal solos and Mrs. Arnold Peek is to give several instrumental numbers and also accompany Holly Lash Visel, who will sing.

Miss Agnes Todd Miller of the faculty is the committee head for the occasion and is responsible for the affair.

Charles Dawes Home Welcomes Infant Daughter

Mrs. H. Clement Dawes of Los Angeles, formerly of this city, who was in Long Beach yesterday, as one of the guests at the bridge luncheon given in Hotel Virginia by Mrs. A. F. Zaiser, Mrs. S. W. Nau and Mrs. C. P. Boyer, was receiving congratulations from her friends, upon the arrival of her first grandchild, the infant daughter, born just a week ago today, September 12, in Hollywood hospital. The little maid, who weighed a few ounces over nine pounds at birth, is also a granddaughter of Mr. and Mrs. L. E. Gardner, 324 East Twentieth street, Santa Ana. Mrs. Dawes was Miss Dorothy Gardner. The baby will be christened Janice.

HOSTESS TRIO OFFERS FIRST LARGE FUNCTION OF SEASON

Definitely launching the formal social season in this city, Mrs. Samuel W. Nau, Mrs. C. P. Boyer and Mrs. A. F. Zaiser, yesterday joined in presenting a bridge luncheon which not only indicated the charm that the winter months promise in the way of entertaining, but also gave a large assemblage of friends, opportunity to welcome two of the three hostesses, Mrs. Nau and Mrs. Boyer, back to their place in the community's social life, after their interesting summer abroad.

Hotel Virginia in Long Beach, provided a most attractive setting for the hospitality, and guests found the drive to the beach city, a pleasant prelude to the events of the afternoon.

Greeting their friends just within the entrance to the hotel, the trio of hostesses made an effective appearance. Mrs. Nau choosing black chiffon and lace, worn with a handsome strand of cut crystals. Mrs. Zaiser in rose-orchid chiffon worn with pearls, and Mrs. Boyer in a heavy black lace hostess gown with mounted crystal chain. Each costume was completed with a smart little coat, that worn by Mrs. Boyer, of lace like her gown, while Mrs. Zaiser's was in the delicate chiffon of her gown, and Mrs. Nau's was a little cocktail coat of jet and pearl sequins.

Assisting them in the important duty of checking arrivals were Mrs. Hugh C. Wiley and Miss Louise Tubbs, while later in the afternoon Mrs. James Willis Rice and Mrs. Hugh Plumb extended their aid in checking bridge scores.

Each of the three hostesses presides over one of the long tables in the dining room where luncheon was served to the accompaniment of a musical program. Immense dahlias in delicate pink and mauve tints, were combined in clusters spaced formally down the length of the tables, with single blossoms and ferns forming garlands of bloom to connect the baskets. Tally cards expressing the same color tones, indicated the places.

Seeking the assembly room after the elaborate luncheon menu, the guests enjoyed bridge to the accompaniment of a piano program of classical numbers. Flaming zinnias provided the floral decorations of this beautiful room.

It was a question as to whether the fates smiled most kindly on those who scored high, or those who scored low, for gifts seemed equally desirable. These charming little French powder boxes which please the ear with pretty melodies when their covers are removed, were presented Mrs. W. H. Haddock, Mrs. Howard Timmons, and Mrs. Wyckoff. Those who scored first, second and third high. To Mrs. Helen Hill, Mrs. G. E. Burns and Mrs. Ella Hanna, were awarded such attractive gifts as hand-painted powder boxes with puff to match, and a pretty dresser piece.

Those who motored to the neighboring city for this enjoyable function planned by Mrs. Nau, Mrs. Zaiser and Mrs. Boyer, included Mesdames Cood Adams, L. L. Beaman, Elmer Barr Burns, J. N. Bartholomew, Robert Baumgartner, C. F. Bennett, J. P. Burns, Lee M. D. Borgmeyer, C. E. Gruns, Lee Boyard, Angus J. Cruikshank, P. E. Coulter, Elmer Crawford, L. A. Collyer, Ella Campau, John J. Zerman, Rosa Boyd, Gertrude Montgomery, Lula Minter, Louise Tubbs, Mary Wakeham, all of this vicinity; Mrs. H. Clement Dawes, Mrs. Alice Harris, Mrs. Ella Ballard Hanna, Mrs. Vera Smith, Los Angeles; Mrs. David Kelley, Glendale, and Miss Edith Stone, Virginia.

Family Circle Enjoys Close-of-Summer Reunion

Celebrating the happy coming together of the various members of a little family circle whose studies, travels and activities have swept them far apart during the past few months, Mr. and Mrs. C. S. Cruikshank entertained at dinner Wednesday night, in their beautiful home which crowns one of the out-thrust towers of Lemon Heights.

Of the young people of the group, Miss Eleanor Cruikshank, daughter of the home, will leave soon for Stanford where she will enter upon her studies at the university. Ronald Cruikshank, son of the home, was absent from the family circle, as he left last week for the east where he will begin his studies at Harvard law school.

Miss Constance Cruikshank, their cousin, and the daughter of Mr. and Mrs. Angus J. Cruikshank, of Los Alisos rancho, has just returned from a summer in Europe with her aunt, Miss Shirley White, of Los Angeles. Miss White was unable to be down for the reunion. Miss Josephine Cruikshank is home from a summer of tennis tournaments in which she had a success that has made her a figure of national importance, and one of whom Santa Ana is very proud.

Miles Cruikshank, the brother of the Misses Constance and Josephine, who is in New York City's business life following his graduation from Harvard, is enjoying a brief vacation visit in his home, and was a member of the party, while Miss Marian, the youngest sister, will leave almost at once to attend Girls' Collegiate school at Glendora.

The hosts, Mr. and Mrs. C. S. Cruikshank, Mr. and Mrs. Angus J. Cruikshank, Mrs. L. A. White, Miss Lida Cruikshank and Miss Lena Thomas, completed the happy luncheon, and shared the lively talk of schools, travels, New York, books, and all the widely varying topics introduced by this interesting circle of young cousins.

Jaycee Co-eds Make Rush Party Plans

Plans for a rushing party at the beach were formulated and discussed by members of the Moav club, one of the popular women's service clubs of the city. An luncheon for college, when the co-eds met yesterday afternoon for a short business meeting.

The rush party will be in the form of a wiener bake, and prospective club members will be guests of the Moavs. The three women's clubs have until October 20 in which to become acquainted with the new students and may pledge after that time.

Miss Louella Marshall, Moav president, appointed her committees for the affair, which include Miss Evelyn Parks and Miss Vernell Butler, chairman. It was announced at the meeting that Miss Maybelle Ball, social commissioner of the students, had appointed the Moav club to act as hostess for the coming faculty picnic at Corona del Mar on October 26.

Dr. and Mrs. Harry Zaiser have returned to their duties at Orange County hospital, where Dr. Zaiser is superintendent, after an interesting automobile trip through the north and into British Columbia.

Miss Ella Ong, a sister of Mrs. G. E. Burns, 1209 Spurgeon street, who has been spending the past three months in this city and various parts of the Southland, will complete her visit Sunday, returning to her home in La Cienega, Mo. Miss Ong lives in the girlhood home of Mrs. Burns, where the latter visits her approximately every second year.

University Sophomore Was Incentive For Pretty Affair

Sailing today on the S. F. Alexander for Seattle, Wash., where she will enter the University of that state as a sophomore, Lydia Mohr, of Anaheim, takes with her memories of a delightfully informal party given in her honor recently when Mrs. Lawrence Kokx and Miss Dorothy Lutz were co-hostesses in the former's home on North Tustin avenue, near Villa Park. The Kokx home, a lovely Spanish dwelling just completed, formed a charming setting for the affair.

A strikingly effective decorative motif was used throughout the rooms, and was carried out by huge bouquets of sunflowers and hawthorn. Bridge was played, and at the conclusion of the evening, Miss Mohr was awarded a lace hourdier set as holder of high score, and in addition was presented with a modernistic handkerchief to harmonize with the soft tones of green in her traveling costume. Miss Dorothy Dresser was consoled with a handsome deck of cards.

Refreshments were served at a late hour. Those sharing the pleasant evening with Miss Lutz and Mrs. Kokx and the honoree, Miss Mohr, were, the Misses Ruth Morton, Vena Belle Bryant, Dorothy Dresser, Ruth Potter, Louise Bryant, Mabel Pruitt and Hattie Bell Wall.

Three Birthdays Were Conserved at Recent Evening Party

Marking the birthday anniversaries of three of the guests, Mrs. Matilda Tyler, her niece Miss Bernice Mix, of Bell and Robert Steele, of this city, was a delightful party of recent date when Mrs. Ida Hacklander was hostess in her home at 426 East Third street.

A number of games and interesting contests featured the evening, at the conclusion of which a delectable refreshment course was served. Especially attractive were the three birthday cakes topped with candles. The three honor guests received a number of lovely gifts, and others of the party shared in awards as winners in the various games.

Those present, other than the hostess, Mrs. Hacklander and the honor guests, Mrs. Tyler, Miss Mix and Robert Steele were Mrs. Earl Mix, of Bell; Mr. and Mrs. William Knauss, of Orange; Mr. and Mrs. Clifford Copley of Maywood; Mr. and Mrs. Hilley Gill and son, Robert, of Orange; Marie Payne of Garden Grove, Mr. and Mrs. Arnold Hacklander of Laguna Beach, Mr. and Mrs. Homer Tyler, Adolf Knauss, Mr. and Mrs. Paul Norstrom and son Albert.

Mrs. Fannie Steele, Mr. and Mrs. Frank Underwood, Mr. and Mrs. Temon Oakley, Donald Smith, Mrs. B. Whorley, Emery Steele, William Johnson and Carl Blythe of this city.

CHURCH WOMEN SOCIETY THE HOME FASHIONS FRATERNAL HOUSEHOLD

Tragedies at Auction Sales

One of the near tragedies of house furnishing, is when some astute dealer beats you to the coveted piece of old furniture which you thought no one would have sense enough to bid on at auction. That very thing just happened to me. I knew an old walnut bed was going to be offered for sale. I attended the auction and sat in the front row until the bed was put up. I had fixed a price in my own mind and when a persistent old fellow bid me my last price, I quit, and let him get it.

On leaving, I inquired who the man was and the clerk said, that is so-and-so who buys for — shop. I went home in a vile temper kicking myself for not being a better sport and bidding him out. A few days later, the owner of the shop called me and said they had a lovely old bed they thought I might be interested in, and I was, to the tune of three times what he paid for it at the auction.

Now, I am putting it through the same cleaning that the chairs are getting, and when it is ready it is going to have a flounced valance of old-fashioned print, with spread and pillow cover to match, all in shades of blue which will bring out the satiny brown of the old wood. This, too, will be one of the antiques which my grandchildren will brag about.

GARDEN GROVE

STANTON, Sept. 19.—Thousands of Mexicans gathered to participate in the patriotic exercises held at Stanton Monday and Tuesday. The officers of the celebration association were president, Marcon J. Reza; secretary, Jose Fernandez; treasurer, Jux, Garcia. Dolores V. Garcia was queen, with Ella Chavez and Altagracia Juarez as attendants. A large pavilion had been built west of the church which was beautifully decorated with palms and crepe paper in their national colors.

COLLEGE FACULTY PLANS RECEPTION

The faculty of Santa Ana Junior college will receive the junior college students at a formal reception, tonight, in the "Y" hut on the campus. The affair, which is an annual one, serves to introduce the new students to the faculty.

At 8 p. m. the faculty will form a receiving line to greet the students. Miss Agnes Todd Miller is in charge of the whole event and working with her are Miss Hazel Dawson, who is in charge of the refreshments, Miss Anna Gilles, in charge of decorations, and Ernest Crozier Phillips, in charge of the entertainment.

"RAIN OR SHINE" IS SEEN AT BROADWAY

"Rain or Shine," which for two seasons broke all records for attendance on Broadway, has been made into a film by Columbia Pictures and it is scheduled to play at the Fox Broadway theater today, tomorrow and Sunday. Joe Cook who starred in the stage version, plays his original role on the screen. On the stage he scored one of the greatest personal successes it is possible for an actor to achieve.

"Rain or Shine" was written by James Gleason, author of "Is Zat So," "The Shannons of Broadway" and other popular stage and screen hits. The dialogue of this film of circus life follows most closely the stage version.

Frank Capra, the directoral genius who made "Flight," "Submarine" and "Ladies of Leisure," handled the production. The cast is of stellar proportions, including such personalities as Louis Fazenda, Joan Roscoe, Adolphe Millar and Clarence Muse.

WESTMINSTER

WESTMINSTER, Sept. 19.—A Parent-Teacher association meeting was held Wednesday afternoon at the school and five new members were enrolled. A number of issues before the organization were discussed and it was voted to send for the study circle books that these meetings might be held. A study circle meeting is to be held on each third Wednesday afternoon of the month with Mrs. James M. Monroe in charge.

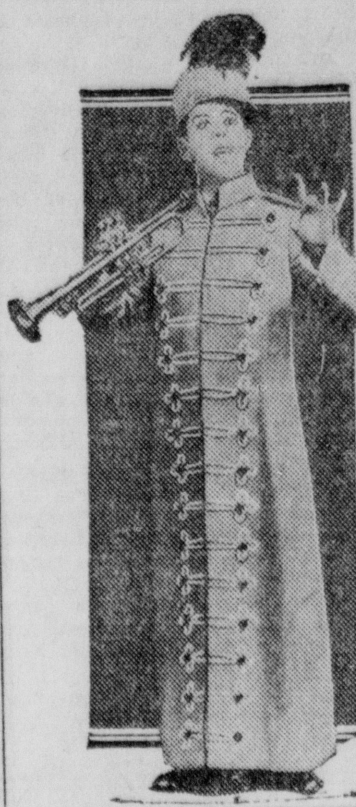

Mr. and Mrs. Tashima, elderly Japanese couple who have been employed by Japanese ranching the Grandy land, left Wednesday from Los Angeles harbor for their journey to Japan which will take them 14 days. Mr. and Mrs. Tashima have a daughter in Japan.

Mr. and Mrs. Floyd Morris spent two days on a vacation trip to Kettleman Hills, where they visited friends.

Mr. and Mrs. Julius Goeschner have returned from Maricopa, where they were guests of Mr. Goeschner's sister, Mrs. Osborn. Mr. and Mrs. W. S. Little, of Masters, with Mr. and Mrs. Dick Masters, of Huntington Beach, spent Thursday afternoon and evening at the Los Angeles County fair in Pomona.

GREAT COMIC

Joe Cook, great stage comedian who makes his initial appearance in pictures in Santa Ana today in "Rain or Shine" which opens at the Fox Broadway theater.

JOE COOK IN BROADWAY SHOW

Among the interested spectators in the circus audience that watches Joe Cook perform his merry antics in "Rain or Shine," the film version of the well-known musical comedy produced by Columbia Pictures, now playing at the Fox Broadway theater, is none other than the famous heavyweight champion, James J. Jeffries. The Columbia circus was erected on a ranch at Burbank, Calif., owned by Jeffries, and the ex-champion was a daily visitor to the picture location. A formidable group of stars was assembled to support Joe Cook in his film debut. Among the players are Louise Fazenda, Joan Roscoe, William Collier, Jr., Tom Howard, Dave Chasen, Alan Roscoe and Adolphe Millar. Frank Capra directed.

HOOT GIBSON HERE AT WALKER STATE

A thrilling rodeo is one of the important feature events in "Spurs," the most recent Universal release, starring Hoot Gibson which is coming to Walker's State theater today.

Hoot Gibson gives one of the most spectacular riding performances in his career in this picture. It recalls the days when he won championships in various sections of the country, particularly the all-around championship at the Pendleton, Ore. round-up.

And on the same bill, Rint-Tint-Tin for the first time in his long career in a serial! "The Lone Defender," Rinty's first serial, will be shown for the first time locally. The picture will be shown thereafter every week for 12 weeks.

OCEANVIEW

OCEANVIEW, Sept. 19.—The upper classes of the Oceanview school are organizing to edit newspaper articles each week and editors are being appointed from each class. In the eighth grade, Beulah Lewis holds this position, seventh grade, Nobuko Furuta, and sixth grade, Takawki Tashima.

The local boys and girls played a practice game on Wednesday afternoon on the local school grounds with Buena Park, a pickup team being used preparatory to organizing the regular teams for the term. In both games Oceanview was defeated, the boys' score being 13 to 5 and the girls' 25 to 5. Mrs. Mildred Moulton is coach for the girls and Joseph Gebauer for the boys.

There is an enrollment of 310 pupils at Oceanview school. The first Parent-Teacher association meeting of the term was held on Wednesday afternoon with Mrs. C. E. Gilmore in the chair. The other new officers of the P.T. A. are Mrs. A. E. Holly, vice president; Mrs. Charles Schuth, secretary and Mrs. Vernon Hell, treasurer.

A program was held following the business meeting given under the direction of Mrs. Harold Tracy of the school faculty. The topic was "Leisure Time in the Home and Community" and open discussions were held. The flag salute was given, community singing held and the prayer given. Children of Miss Willemae Adams' room demonstrated songs, the words and

music of which they have written themselves. Phyllis Brush sang a solo number and some of the eighth grade girls sang in chorus. Miss Susan Russell, teacher of music, led in the singing for the program. Mrs. R. A. Shostag is hospital chairman and with Mrs. W. P. Treace, Mrs. Charles Hurt and Mrs. Irwin, eighth grade mothers served refreshments.

SMELTZER

SMELTZER, Sept. 19.—Mr. and Mrs. Harry Woodington left Wednesday afternoon to motor to Berkeley, where they are to visit with their son, Donald Woodington, who in August entered the university. Mr. and Mrs. Woodington planned to spend Wednesday night at San Fernando with Mrs. Woodington's cousin, S. J. Clemens and wife, and

they probably will return home next Monday.

E. Ray Moore had a minor operation performed Tuesday. Carmel Grana of the U. S. S. California spent two days as a guest of his parents and brother, Mr. and Mrs. Jake Grana and Peter Grana.

Mr. and Mrs. J. A. Murdy and daughter, Miss Ella Murdy, are spending this week visiting relatives. The party left Smeltzer on Monday and will return on Sunday. At Newhall they are visiting with a sister of Mr. Murdy's and from there they will go to Nurock as guests of their daughter, Mrs. Forrest Harris, and family.

Mrs. J. Grana, in company with her daughters, Mrs. Minnie Stanley, of Anaheim, and Mrs. Angie Benson, of Long Beach, and their children spent a day as the guest of another daughter, Mrs. Betty Church, at Hawthorne.

PANTRY SHELF

WINTERSBURG

WINTERSBURG, Sept. 19.—L. Lightman was a dinner guest in the home of Mr. and Mrs. W. F. Trece, the event being in observance of Mr. Lightman's birthday anniversary. The visitor is of Los Angeles.

Mr. and Mrs. Charles Blaylock, whose marriage was a recent event, returned Monday night to the home of the groom's parents, Mr. and Mrs. W. W. Blaylock, following a week spent at Lake Arrowhead and from here went north for a visit in Ventura with relatives of Mrs. Blaylock's and at Vaseo with Mr. Blaylock's brother-in-law and sister, Mr. and Mrs. Ray Lacy. They are expected to return Saturday and will make their home in Wilmington.

Dr. and Mrs. U. G. Littell, of Santa Ana, were recent visitors in the home of Mrs. Littell's brother, W. W. Blaylock, and family.

Mrs. Iva Hazard is entertaining an old friend from Taft, Mrs. Minnie Wright, of Inglewood, who will remain with her for several days.

Miss Edith Huff attended a

Christian Endeavor rally at Compton in company with a party of Huntington Beach friends.

Mrs. Ray McCormick and children, Carol, Rosemary and John, motored to Los Angeles for a day with relatives, Mr. and Mrs. Curtis McCormick, brother and sister-in-law of Mr. McCormick.

A number from Wintersburg attended the business session of the Mooseheart lodge held Wednesday evening at Antler's hall, Huntington Beach. Preparations are being made for next Wednesday evening's special feature at which time the children's meeting will be held with a party for the members of the Moose and Mooseheart lodges and their friends as well. Mrs. Hazard of this place is junior superintendent.

Mrs. Weinheimer and son and Mrs. J. W. McIntosh were among local members of the Fidelity class of the First Baptist church of Huntington Beach who attended a picnic and shower given by the class at Circle park, Huntington Beach, Wednesday.

Mrs. Lee Sowers recently entertained members of the Mooseheart Sewing circle as guests at their regular meeting.

Mr. Iller and Miss Catherine Iller, uncle and cousin of Mrs. J. W. McIntosh, were Wednesday visitors in the McIntosh home. John Iller, of Pasadena, is making his home with Mr. and Mrs. McIntosh for the period of the school term and attending the Huntington Beach high school.

Mr. and Mrs. Lee Sowers and son, Robert, visited Sunday in Long Beach, where they were guests of Mrs. Sowers' parents, Mr. and Mrs. O. A. Horn, and with them visited relatives at Temple and with a friend who is very low following a lingering illness.

The mother of Roy Fox and Ray Fox, who has been spending several months in Wintersburg with her sons and their families, is leaving September 25 to return to her home in Texas.

Earl Talley Jr. was an overnight guest in Los Angeles of his uncle and aunt, Mr. and Mrs. Roy Kerr.

Ben Daniels of the Blaylock tract is putting in some improvements on his lot this week.

Mrs. DeBusk, who is a patient in the hospital, where she recently had five different operations performed, is reported as getting along as well as can be expected.

Miss Janet Rutherford left Monday for Redlands, where she has entered the Redlands university.

PANTRY SHELF

WINTERSBURG

WINTERSBURG, Sept. 19. — A Queen Esther party was held in the parsonage home of the Rev. and Mrs. William A. Matson. An enjoyable evening spent by 17 girls belonging to the society.

The Rev. Mr. Marston began a series of three special topics for his Sunday sermons with the starting of evening services on last Sunday, taking as his subject, "What Shall We Do With Our Spare Time." That of Sunday, September 21, will be "What Shall We Do With Sunday," and that of September 28, "What Shall We Do With the Movies."

A 50 per cent increase was noted in the Sunday school at the Rally day meeting, there being a total attendance of 124. The attendance was low all summer on account of the infantile paralysis epidemic. There are 14 classes being taught in the Sunday school.

The Wintersburg county branch library has been opened on its regular days this week, Monday from 2 to 4 o'clock and from 7 to 8 o'clock and Thursday at the same hours.

Mr. and Mrs. Robert Jenkins attended the radio show in Los Angeles.

Four representatives of the Wintersburg Epworth league attended an Epworth league banquet at Orange, these being the Misses Zexie Nichols and Ruth Friend, Alfred Stinson and the Rev. W. A. Matson, pastor of the local church.

A meeting of the Ladies Aid society will be held next Thursday afternoon at the church hall that the women may work on articles intended for the bazaar which the society will give in November and more work will be given out at this time. The women will meet at 1 o'clock.

Mrs. Henry Snasdel attended a picnic given Thursday evening at Irvine park by teachers of the Huntington Beach elementary school for new faculty members.

Mr. and Mrs. G. C. Finlayson Jr. and children were Tuesday evening visitors of Mr. Finlayson's parents, Mr. and Mrs. G. C. Finlayson, and their young son, Carlan Finlayson, is remaining until next Monday with his grandpar-

ents. The visitors are of Comp-

ton. Mr. Kramer and family have moved to the Lisenby place, formerly occupied by the Burns family. Mr. Kramer will farm the land.

Dewey Woods and sons, Jackie and Bobby, have returned from a two weeks' vacation trip which they made to New Mexico, where Mr. Woods went on business. The three motored through.

David Russell has returned to Casterville to see after property interests after moving the family to their Wintersburg home for the school term.

Mr. and Mrs. Roy Hurst, of Los Angeles, were visitors for a day in the home of Mr. Hurst's uncle and aunt, Mr. and Mrs. David Russell.

Miss Susan and Miss Isabelle Russell met a group of young people with whom they became acquainted at Catalina island this summer at Laguna Beach, where a picnic party on the beach was enjoyed.

The Rev. and Mrs. David Shepherd, who have been occupying the cottage of Mr. and Mrs. W. F. Slater at Balboa island for a time, were visitors for a few days in the Slater home, Mrs. Slater and Mrs. Shepherd being sisters. From here Mr. and Mrs. Shepherd went to their home in Riverside and from there to the Valley of the Falls to be with Mrs. Shepherd's mother, Mrs. Jordan.

Mrs. Jordan was a recent visitor in the home of Mr. and Mrs. Slater as she returned from a delightful vacation trip to Sequoia National park, which she made in company with a party of relatives.

Mrs. Young, daughter of Mr. and Mrs. Hugh Atkins, and her son and daughter have located for the period of the school term in one of the Ulrich houses. The children, Roger, James and Catherine, who last year attended the local school, are again enrolled here. Mr. Young, who accompanied his family here, has returned to the San Diego mountains, where he has a service station.

W. P. Treece has left for Santa Barbara to erect oil derricks in the fields and from there he will

go to Lompoc.

Mrs. A. C. Portz, mother of Mrs. W. P. Treece, and her sister-in-law, Mrs. B. R. Portz, of Long Beach, were entertained as Tuesday guests by Mrs. Treece.

Two local boys, Dean and John Pryor, sons of Mr. and Mrs. J. H. Pryor, were elected presidents of the Junior and Sophomore classes at high school. Both boys were graduates of the local elementary school.

Mrs. L. S. Moore is spending a few days with her daughter in Los Angeles.

Mr. and Mrs. J. H. Pryor entertained as dinner guests in their home, Mr. and Mrs. John Murphy and son, Morgan Murphy, of Los Angeles.

Mr. and Mrs. J. W. McIntosh

have booked passage aboard the "Alexander" for Seattle and are leaving Friday. Mr. and Mrs. McIntosh will spend six days in that city and expect to arrive home a week from next Thursday. Roscoe Bradbury has returned to Westwood, where he will complete his university course in six months at U. C. L. A.

Mr. and Mrs. C. E. Pratt entertained as their guests, Mr. and Mrs. George Jefferies and their daughter, of Ventura.

Mr. and Mrs. Robert Jenkins were in Venice Monday calling on friends.

Mrs. W. T. Vandruft is spending a week at Bell as the guest of her daughter, Mrs. Ruby Greer and family.

Cudahy's puritan Pure Pork Sausage

A satisfying, savory breakfast dish. One hundred per cent pure, choice pork, seasoned to a delicious appetizing flavor. It is great on these crisp mornings and equally good all mornings.

Always OVEN-FRESH!

Snow Flakes always reach you oven-fresh. Oven-freshness is sealed into the familiar red package by the waxed wrapper—moisture is locked out. Snow Flakes are largest selling soda wafers in the West. Speedy sales keep stocks fresh.

One of our six great Western bakeries is only a few hours from your home, insuring a fresh supply daily.

To maintain the appetizing true-

wheat flavor of Snow Flakes, we operate our own wheat fields in the bluestem district of eastern Washington, harvesting and milling this choice wheat ourselves by a controlled process.

You'll find the family-size package economical and convenient. Sold to you, as all Snow Flake packages are sold, under our definite, money-back "Guarantee of Freshness."

Acclaimed by 10 famous California cooking stars this new discovery in shortening

We asked ten of the state's expert cooking authorities to tell us what would make a shortening perfect! Every one of them says Parfay, the new blended shortening, is ideal! Some tasted it. Some of them smelled it. One couldn't wait to get her fingers in. All of them cooked with it. They found Parfay met every test, had every advantage. It combines the merits of all other shortenings. Parfay has remarkable keeping qualities. Always snowy white, fresh and pure. It is flavorless. A smoke point exceptionally high, intense heat with no discomfort. Parfay creams quickly for cakes. For pies, your crust is the old-fashioned flaky kind. Parfay's package is slim and convenient. If you don't like Parfay, your money is refunded. Try it for yourself. In 2, 3 and 6 pound pails, too.

THE TINYMITES

STORY BY HAL COCHRAN—PICTURES BY KNICK
REG. U. S. PAT. OFF.

At last the snowball fight was over when someone cried, "I won't play no more. I'm covered now from head to foot with very chilly snow. If that nice hut is warm inside, that is the place I'd like to hide for just about a half hour. Come on, there bunch, let's go."

So, in they went and sure enough, the hut had just the proper stuff. The open fireplace brightly burned with logs, all piled up high. The Tinymites eyed it for a spell and then they dashed up with a yell. It quite amused the guide when they all flopped down with a sigh.

"I guess you're all tired out," said he. "Well, I don't wonder. Mercy me! You've had a lot of exercise. Why, that would ruin me. I'm not a youngster any more and haven't much real pep in store. But watching you has made me feel as happy as can be."

In just about a moment more there came a tiny little snore. Poor Clowney now was fast asleep and so were all the rest. They'd taken off their clothes to dry and all hung on a rope nearby. 'Twas two hours later when they all woke up and then got dressed.

The trip back down the mountain side was hard and each one took a slide. The rope, however, held them safe and they soon left the snow. When back in town wee Clowney said, "Oh, there's a golf course just ahead. If anybody wants to play step lively. Come, let's go."

They reached the club house where they found some real cute small clubs on the ground. Each Tinymite picked out a set and then, with happy roar, they ran up to the big first tee and Clowney shouted, "Now watch me!" He drove a ball out in the air and loudly shouted, "Fore!"

(The Tinymites hie to Zurich in the next story.)

Missing Letter Links

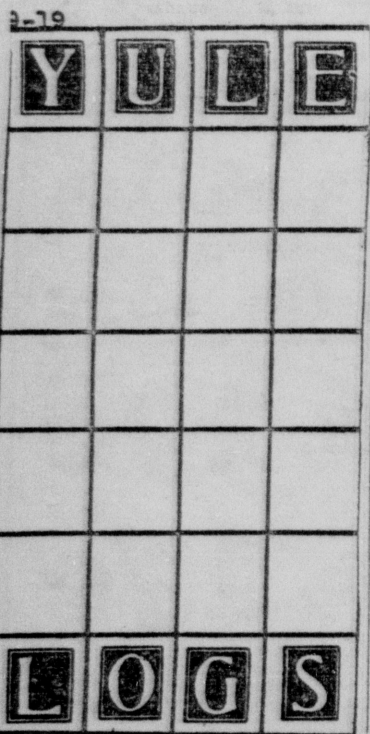

RULES

1. In playing golf on the Missing Letter Links the object is to change one word to another in a given number of strokes which is par. For example, to go from TEE to TIN in three strokes sounds hard but isn't: TEE, TIE, PIE, PIN. It's probably more difficult on a real course.

2. Change but one letter at a time and be sure the word you have used is one in good usage.

3. The order of the letters cannot be changed.

WHAT'S THE GUY DOING WITH THAT DRUM STICK IN HIS HAND?

THE GUY BENT OVER?

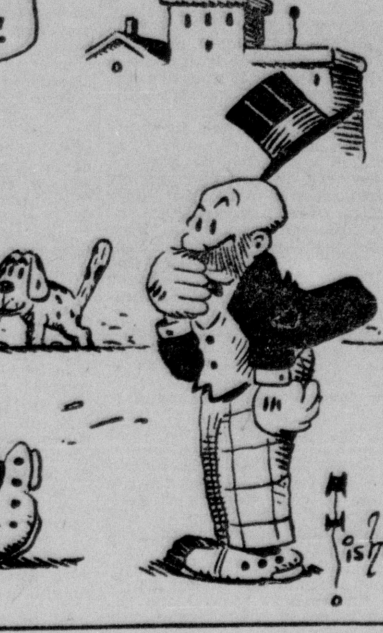

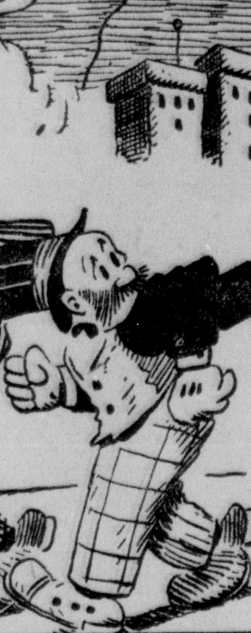

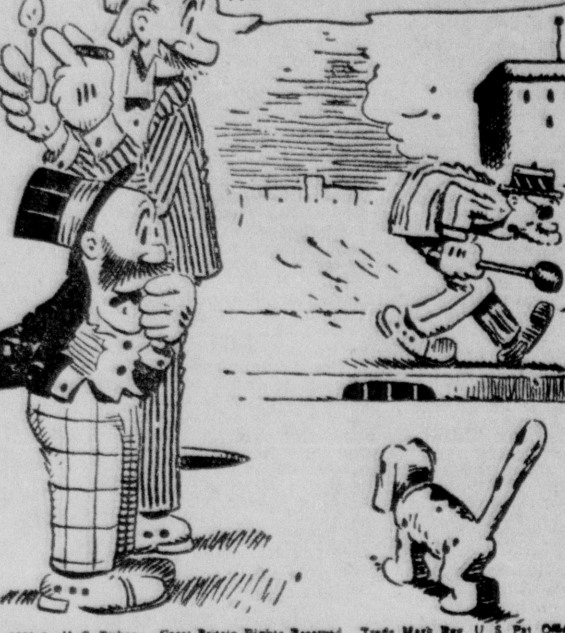

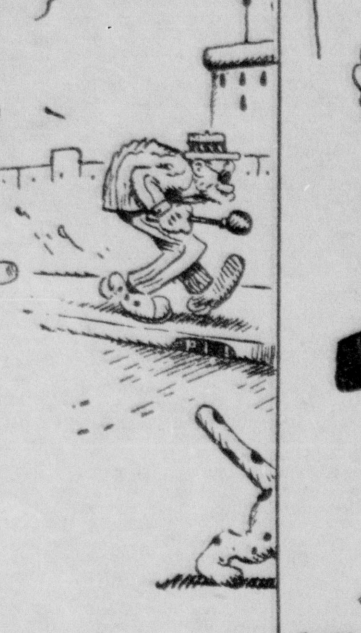

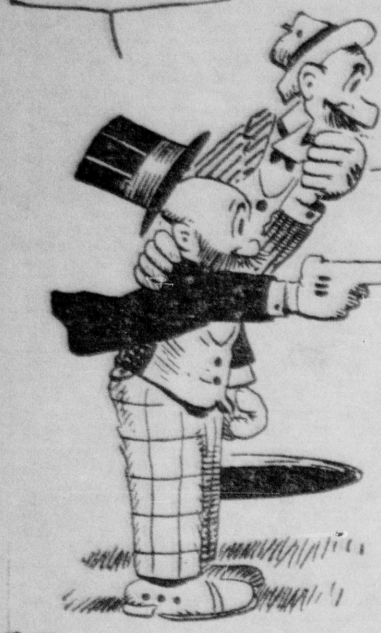

YEP!

WELL, HE GOT THAT WAY FROM PLAYING MINUTEMAN GOLF. EVERY TIME HE WENT TO PICK UP HIS BALL HE DROPPED HIS LEAD PENCIL. WHEN HE WENT TO PICK UP HIS PENCIL HE DROPPED THE BALL!

IT FINALLY GOT SO BAD THAT HE BENT OVER SO MUCH HE GREW THAT WAY. NOW HE IS SUCH A FUNNY SHAPE HE HAS TO SLEEP IN A BASS DRUM!

BUT WHAT'S HE CARRYING THE STICK IN HIS HAND FOR?

SO NOBODY CAN PLAY THE DRUM WHILE HE'S ASLEEP!

SHERLOCK HOLMES—Silver Blaze

Holmes and I walked slowly across the moor. He was deep in thought. "Watson," he said finally, "suppose Silver Blaze broke away when Straker was killed. His instincts would have been to return to King's Pyland, or go to the Mapleton stables. He was not returning to King's Pyland. Let us take Mapleton as a working hypothesis."

EVENING SALUTATION

"It is cynicism and fear that freeze life;
it is faith that thaws it out, releases it, sets
it free."
—REV. HARRY EMERSON FOSDICK.

EXPEDIENCY VS. PRINCIPLE

During the war, to arouse sentiment against Germany, we were very prone to quote the phrase, as the Germans used it, that the treaty was but a "scrap of paper," but do not nations as a rule still consider treaties and agreements pretty much in that light?

In order to preserve orderly government and to protect more or less the "status quo" in Latin America, our State department has decreed that revolutionary governments would not be recognized. This has been for the purpose, of course, of serving notice on the revolutionists, those who would overturn government by force, that they are out of harmony with the rules of the game laid down by the most powerful nation of the Western hemisphere.

But here within the past few days America has recognized three new governments in South America—governments due to force and one of them in which the executive had not been in long enough to really get his seat warm. Of course our agreements and declarations were but "scraps of paper." We are far from complaining on the recognition of the government of Argentina, Peru and Bolivia, because we believe it is the duty of other governments to recognize the government of any other country that is established by the people of that country. It is not the business of outside countries to use their power to prevent the people, either because of oppression or because of more forceful leadership or what not, to throw off the obligations of the present government and change it for a new one.

Of course, we must recall that America assumed the position that she did in not recognizing revolutionary governments at the moment when the ones who were heading the revolutions were rather hostile to American authorities, and we were desirous of protecting those who were in authority. We cite particularly the story of the contest in Nicaragua. We believe we should change our declaration. We will refuse to recognize any government that is established by force in any of the countries of the Western hemisphere, unless the government which they overthrow has not been overly friendly to our commercial and industrial importers and business men, and is not amenable to suggestions from our State department.

In that case, we will consider the overthrow of such governments as an effort on the part of the people to advance in the amenities of nations and to take advantage of the progress of civilization. America, as are other nations, is looking after the interests of her citizens. We are not objecting to this, we are only suggesting that we ought to frankly admit it, and not claim to be governed by some high-faluting principles which may seem to apply at the moment, when we ought to do something for our own advantage. America should recognize these countries. By the same token, it should recognize Russia.

MISS RUTH ALEXANDER

Grief over Miss Ruth Alexander's fate is directly in proportion to the extent to which one had been following her career. Those who have been following her, mourn the loss of a very promising aviatrix. She was not one of the women flyers whose interest in aviation is but a vehicle to fame, whose names as aviatrixes are dependent entirely on their courage rather than on actual knowledge of the art of flying.

Miss Alexander's position and her future was one which held particular interest for women. In every new occupation which women take up they must overcome a certain amount of prejudice against the capability of women along that particular line. Women still have to prove their worth as pilots before the profession will be profitable and practical for them as a means of earning a living. To some people, of course, they never will seem as reliable as a man, but that is beside the point that Miss Alexander was proving the capability of the woman pilot to the average normal individual. She was doing a piece of pioneering and many girls who want to become pilots will mourn her death and be grateful to her.

Although she liked it, the interesting fact for other women in Miss Alexander's career was that she expected and was forced to earn her living at it. Undoubtedly her lack of resources hampered her accomplishments.

Miss Alexander's meteoric success in aviation is undeniable proof of her ability. As late as 1928, having had in mind aviation for some time, she came to California to realize her ambition. Last November she passed the rigid tests prescribed by the Federation Aeronautique Internationale, qualifying to try for any aviation record recognized by the organization. At the time she passed this test she had less than twenty hours training and instruction. On the following day she went aloft and established a world record for women flyers piloting planes of less than one hundred horsepower.

Some forty years ago the only means by which a young woman could earn her living was in the school room or the hospital. Today, it is different. Miss Ruth Alexander was in the process of adding another fascinating and practical occupation to the long list of openings for women today.

It remains for others now to prove that Ruth Alexander set a standard which can be attained by other women. She was courageous, alert, ambitious, persevering, and in the face of death maintained rare presence of mind. She was a remarkable young woman who was beginning to be appreciated.

FASCISTS SHOW THEIR HAND

The election in Germany indicated possible serious consequences. It appears that the fears of those who read this from the election were by no means ill-founded.

The National Socialists, who are not socialists in the ordinary sense of the term, but really Fascists, are the second party in power in the Reichstag. This group marched out of the city council yesterday in a body, as a protest against the refusal of the body to act immediately for the dissolution of the city parliament. The object of this group is to form a monarchy and to carry on a government similar to what Mussolini is carrying on in Italy.

It is declared that verbal commands declaring that the Fascists train at night in the use of firearms, machine guns, and all of the paraphernalia of war, have been issued. The most significant evidence, however, of their determination to rule is their demand, as the price for participation in any government bloc, the control of the Reichwehr, Army and Interior ministries.

All of the other forces in Germany believe this to be an evidence of a determination to destroy the republic. It has affected prices on the Berlin stock exchange, which plunged down many points as the political conditions were learned. While this group is distinctly a minority, yet a minority with determination, leadership and willingness to go to extreme limits can unquestionably control a majority not so equipped. This will be true in Germany as it is very clearly true in Russia.

In Sweden they are making blood tests of inebriate motorists to determine the degree of drunkenness. What will surprise most persons arrested under this ruling is that they must submit to a physician though they are feeling good.

"MOTHER" JONES

"Mother" Jones, the noted labor leader, over 100 years of age, is reported to be recovering from her present illness.

It will be remembered that felicitations were exchanged between her and John D. Rockefeller, her erstwhile foe. These felicitations were exchanged, we recall, on the birthdays of "Mother" Jones and John D. John D. is some 10 years younger than "Mother" Jones.

Is it possible that they will go on together in spirit now for many years?

Enterprise—Fourteenth Defender

Riverside Enterprise

Upon the yacht Enterprise of New York has fallen the honor of defending the America's Cup, ancient symbol of international sailing supremacy, against the fifth challenge launched by Sir Thomas Lipton during the last thirty years.

The white-hulled and white-sprayed sloop, sponsored by a syndicate headed by Harold V. Vanderbilt and Winthrop W. Aldrich, was selected by a special committee of the New York Yacht club after a series of trial races with three other aspirants for the defense of the cup, the New York sloops Teetomoe and Whirlwind, and the Boston boat Yankee. On September 13, the first of a series of races to be decided by the winning of four out of seven—between Enterprise and Shamrock V will be held off Newport, R.I.

That the committee has named the ablest boat has been proved in thirty-one races in which Enterprise, smallest of the American yachts, has manifested a distinct superiority in light air, while holding sufficiently close to the Yankee, the heavy-weather champion, when the breeze has piped above fifteen or twenty knots.

In Shamrock V the defender is meeting a worthy rival. In an impromptu brush off Newport with the Enterprise, the sleek-lined, green-hulled invader was reported to have had much the better of the American yacht during the few minutes in which the vessels were in company. W. Starling Burgess, designer of Enterprise, stands at the top of his profession. He has followed in the footsteps of his father, Edward Burgess of Boston, designer of Puritan, Mayflower and Volunteer, vessels which defended the America's cup forty or more years ago. Charles Nicholson, designer of Shamrock V, ranks second to none among England's present-day naval architects. He is indeed a worthy successor to the eminent Scottish craftsman, William Pile of Fairlee and George L. Watson of Glasgow, designers of earlier challengers.

Meanwhile the jovial Irish challenger says little but smiles much, as messages of good will pour in from every direction at his headquarters aboard the steam yacht Erin in Newport harbor. On four occasions his attempts to win the ancient classic have failed. But should his thirty years of undaunted determination and good sportsmanship culminate in a victory for Shamrock V, it is safe to say that nowhere will his success be more whole-heartedly acclaimed than in the country where the coveted prize has been defended for more than three-quarters of a century.

Lynchings Wholly Intolerable

Pasadena Star-News

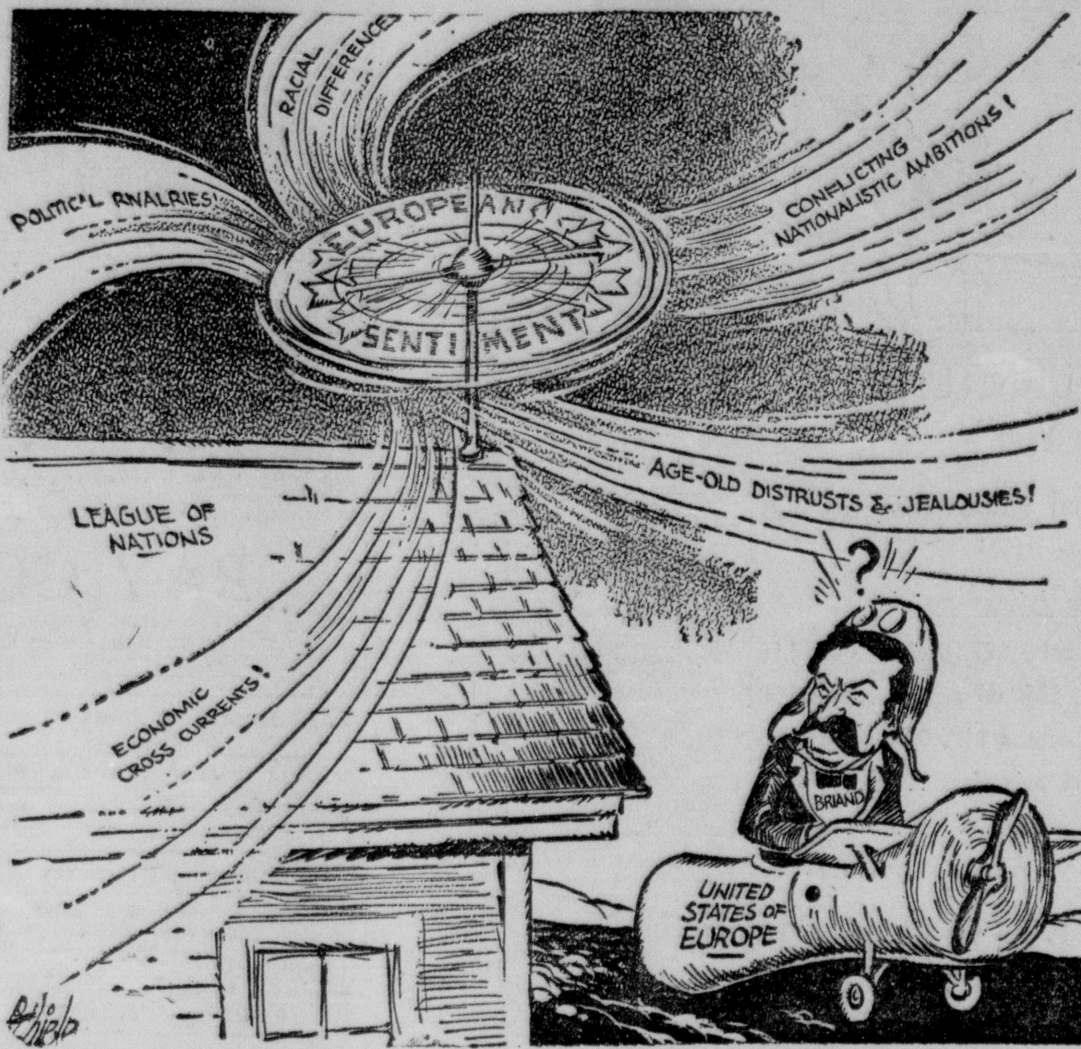

Two Negroes have been shot to death in Georgia by infuriated citizens. The two victims of mob fury shot and killed a police chief and wounded three other white men. The crime committed by the two men who were put to death was wholly inexcusable and heinous. They deserved to be put to death, regardless of their color, just as two white men, committing the same crime, would deserve to be put to death. No racial considerations should enter into the punishment of crime.

But two Negroes, murderers though they were, should have been tried by due process of law. There is no justification for lynching. There is no warrant for venting of mob fury. Mob attacks, in such cases, are not merely attacks upon individuals—they are attacks upon law and upon constituted authority. They are attacks not upon law and constituted authority, but they are, in effect, attacks upon every law-abiding citizen. For such mob outbreaks strike at the very foundation of what the law-abiding citizen holds sacred—the punishment of crime by due process of law.

But the courts are slow, and cunning lawyers defeat the ends of justice, some may say. If there be defects in administering justice in the courts—and that there are defects the most eminent lawyers and jurists in the land admit—the remedy is to correct these defects in peaceful, constitutional manner.

Lynchings and mob violence correct nothing. They do not stop criminality. They do not create respect for law. They break down such respect.

Which Way Does the Wind Blow?

More Truth Than Poetry

By James J. Montague

A CALL FOR A CONFESSION

I know that people who succeed
With pen and brush, or pipe and tabor,
Happ constantly upon the need
Of hard and unrelenting labor.
They tell, with smug, superior pride,
How they dispensed with all vacations,
And days and nights and Sunday's plied
Their occupations.

And yet it seems to me quite plain
That stern and mind fatiguing study,
And daily strife and stress and strain
Should bring success to anybody.
Great men their powers never spare,
They take their sleep in hasty snatches
Then fall to work again, and there
Is where the catch is.

It does not comfort me at all
To learn, by tolling night-and-daytime
And Winter, Summer, Spring and Fall
Foregoing every hour of playtime,
I may sometime arise to fame
And gain belated independence
And leave, perhaps, an honored name
To my descendants.

Somewhere within my idle brain
A faint suspicion there is lurking,
That people often riches gain
And eminence, without this working.
I wish these men would cease to pose;
Their words would be more widely heeded
If they would honestly disclose
How they succeeded.

Why Not Export Our Unemployment?

By WILLIAM TRUFANT FOSTER and
WADDILL CATCHINGS

Every country has a limited home market. Every country can produce more than it can sell to its own people. Every country is trying to offset the lack of purchasing power at home by exporting its surplus products and refusing to import an equivalent. In fact, the whole world of commerce has already adopted the motto: "It is more blessed to give than to receive."

But the device of dumping surplus products abroad can relieve the situation in one country only by making it worse in others. We can't all grow rich by taking in each other's washing.

Not long ago, an enterprising Westerner undertook to make endless profits in the fur business. His only capital was an island in Puget Sound and an idea. Like all great ideas, this idea was very simple. He proposed to keep rats and cats on the island, skin the rats and feed the bodies to the cats, skin the cats and feed the bodies to the rats, and so on, without end.

Forty-eight states, carrying on the internal trade of this country, see clearly that they cannot make profits in any such way. But forty-eight nations, carrying on the international trade of the world, cannot see that it is equally impossible for every nation to sell more goods than it buys. So higher and higher, the tariff walls are built.

By juggling tariff schedules, it is true, any one nation may gain a temporary advantage over another. Thus any one nation may, in effect, export some of its unemployment. But high trade barriers incite other nations to build still higher barriers. World trade is blocked and in the long run the whole world suffers.

The whole world is suffering now. Virtually all the great nations are in the throes of business depression and unemployment.

There is only one permanent solution of the problem. Every nation must strive, in the long run, for an even exchange of goods.

To make that possible, every nation should enable its own people to consume as much as they produce of consumers' goods, or the full equivalent in foreign products. Then there will be no exportable unemployment.

Thoughts On Modern Life

By GLENN FRANK

HOPE HIDES IN STATISTICS

Some of the fears that have harassed the forecasters of our social and economic future are being a bit allayed by recent statistical studies.

The rate at which the world population has been increasing has for some time disturbed the majority of our social and economic prophets.

They have feared that the increase in population would outstrip the increase in the means of subsistence.

As far back as 1798, this fear dictated Malthus's now classic Essay on the Principle of Population as It Affects the Future Improvement of Society.

The Malthus essay was written in revolt against the Rousseau school of thought which believed in the indefinite perfectibility of man and his exclusive dependence for progress or decline on political institutions and social arrangements.

The argument of the Malthus essay was that the achievement of a stable and satisfying society would always be blocked by the tendency of population to increase faster than the means of subsistence unless human reproduction is subjected to rational control.

This was not a new idea, for it can be traced in the writings of Plato, Montesquieu, Benjamin Franklin, David Hume, Adam Smith, and others, but Malthus gave it an impressiveness of statement that has made it a marked influence, down to our day, in the study of population growth and its meaning for the social and economic future of man.

OUR CHILDREN

By ANGELO PATRI

"IN A MINUTE"

Children are busy people. They live in their own world. When we break into their scheme we interrupt things and all interruption is painful and unpleasant. No child likes to be interrupted. All children must be interrupted at one time or another.

"Bert, come now and get ready for lunch."

"In a minute, mother." A minute passes and others with it and still Bert plays on with never a thought of the cooling lunch. Finally his mother goes out and brings him in forcibly. She is out of patience and Bert is outraged. And that is a great waste of energy.

The other child gets deep into his book or his project. He is called to do this or that necessary errand or keep an appointment. It is time to go for a music lesson; time to get ready for bed; time to start for school; the procrastinator continues to go his own way. "By and by, mother by and by. Can't you wait a minute? I'm coming. Goodness. I just want to finish this chapter. Have I been late this time? Well, that was because the clock was wrong."

You know the story. What can we do about this? It is a very bad habit to form because it hinders all progress by and by. Nobody can wait for a person who has no sense of time. Life passes by them and their lot is unhappy.

Start when the children are little and teach them to follow a programmed day. Make the first program very simple, a few things

BATTLE BEMIS HEIGHTS

On September 19, 1777, the Americans, under General Gates, checked the advance of the British commanded by General Burgoyne at the first Battle of Bemis Heights or Saratoga. It was one of the most desperately fought battles of the Revolutionary War. Gates had been sent by Congress to supersede Schuyler and fight Burgoyne's center. He therefore entrenched himself at Bemis Heights on ground fortified by the famous Polish volunteer, Kosciuszko.

Burgoyne was anxious to reach Albany, but not daring to leave the American forces in his rear, he advanced and attacked them. Both armies fought stubbornly and neither could claim victory. Historians are now inclined to give the Americans the edge because the British lost twice as many men and were obliged to delay their advance.

The second Battle of Bemis Heights, fought less than a month later, was won by the Americans with the courageous assistance of Morgan and Arnold. Finally, Burgoyne fell back to Saratoga, six
